Through:

The District Judge  
Raebareli.

Subject: Submission of application for the post of Chairman, Uttar Pradesh Waqf Tribunal, Lucknow on deputation basis.

Respected Sir,

I have the honour to submit that, in reference of letter No C-639/CF(B)2021; /Dated: Allahabad: July 14, 2021, I am submitting application form on prescribed proforma for the post of Chairman, Uttar Pradesh Waqf Tribunal, Lucknow on deputation basis. It is pertinent to bring it to the kind notice of the Hon'ble Court that-

2- My younger daughter presently aged about 7 years. After her birth at the age of two months only she was suffered by neonatal Jaundice. She was advised by pediatrician for treatment in S.G.P.G.I. Lucknow. She was thoroughly investigated & after number of investigations the cause of Jaundice was not ruled out and ultimately advised to admitted for Liver Biopsy. After Liver Biopsy she was **diagnosed ALAGILLE SYNDROME ( Paucit of Bile Ducts)**.

3-Alagille Syndrome is the rarest disease of Liver **for which treatment is available only in specialized tertiary care medical institution**. She is regularly followed and look after by specialized Pediatric- Gastroenterologist and also she is under regular observation and investigation of Pediatrician, Gastroenterologist as well as other Department like Pediatric- Cardiology, Endocrinology, Radiology etc.

4- On the suggestion of Pediatric-gastroenterologist and other doctors for her treatment in higher and specialized institution, I approached to **Institute of Liver & Biliary Science Basant Kunj, New Delhi**. In that institution / Hospital her disease was thoroughly investigated and many reports have been done and advised by Dr. Seema Alam for regular checkup & follow-up in Institute of Liver and Biliary Science New Delhi and also she is under regular observation and investigation of Pediatrician, Hepetologist as well as other Department like Pediatric- Cardiology, Endocrinology, Radiology etc.

5- Dr.(Prof.) S.K.Yacha of S.G.P.G.I. Lucknow as well as Dr. Seema Alam ,Dr. Rajeev Khanna & Dr.Vikrant Sood of ILBS advised her for **Liver Transplant in near future or alternative surgery of Partial Biliary Diversion** for better quality life of my younger daughter.

6- In addition of above treatment , she is getting Homeopathic treatment and also Ayurvedic treatment from Patanjali Yogpeeth Haridwar and from Dr. Rakesh Sharma Muzaffar Nagar.

7- Due to above rearrest disease of Liver other organ of the body involved like Heart, Spain, Eyes, Kidney, Skin etc. Due to such kind of rearrest disease she is continuously facing many problems like low appetite, poor physical growth, pruritus ( Itching on all over the body) at any time specially sleeping time, due to itching she got disturbed in sleeping, my wife also got disturbed in night. Due to above compellig circumstances my wife can not care & look after her alone. I have no elder member in my family to help of my wife and care & medication of my younger daughter except me. I am also unable to manage all my responsibilities.

8- My wife is posted as Research Assistant in Pharmacology Department King Gorge Medical University, Lucknow.

9- My elder daughter is studying in nineth standard in Lucknow and resides with her mother.

Sir, my family is in dire need of my personal care and attention under these compellig circumstances, I am submitting this application.

It is therefore, I most humbly request you to place my application before the Hon'ble court for its sympathetic consideration.

With utmost regards.

Dated: 16-07-2021

Yours Faithfully
