Perused the office report and also details relating to sale of old Maruti Car by Sri Kali Charan II A.D.J. F.T.C. Bahraich.

According to the details contained in the office report, the car, which the officer had purchased in the year 1998 has been sold through an authorised service center and there seems to be nothing fishy in the transaction.

The transaction being in accord with the U.P. Government Servant Conduct (Amendment) Rules, the file is ordered to be consigned accordingly.
