Interest on the amount of loan will be applied at the rate of ____ % p.a. at monthly rests, calculated on the highest monthly balance. Further, in the event of major volatility in interest rate or the fixed rate falling below the Base Rate stipulated by the Bank from time to time or for any other reason, whatsoever during the period of this agreement, the Bank may at its sole discretion alter the rate of interest suitably. Bank shall be the sole judge to determine whether such conditions exist or not. In the event of a default in payment or any irregularity in the account, the Bank reserves the right to levy a higher rate of interest, as it deems fit.

(To be deleted where floating rate of interest is applicable)

FLOATING RATE OF INTEREST

Interest on the loan amount will be applied at the rate of .75% margin above the Base Rate which is presently 9.7% p.a. and thus the present effective rate of interest being 10.45% p.a. calculated on daily balance of the loan amount at monthly rests, provided that the Bank shall at any time, and from time to time be entitled to vary the margin and the base rate at its discretion. Depending on variation of Base Rate and Margin, the effective rate of interest shall vary periodically and the borrower shall be liable to pay the effective rate of interest. You shall be deemed to have notice of changes in the rate of interest when the changes are notified at/displayed at the branch or published in a newspaper or in the website of the Bank or made through the entry in the passbook or the statement of account or by debit to the loan account, etc. and you are liable to pay such revised rate of interest. The Bank has option to reduce or increase the EMI or extend the repayment period consequent upon changes in interest rate.

Without prejudice to the Bank's other rights and remedies, the Bank shall be entitled to charge at its own discretion such enhanced rate of interest on the loan account(s) either on the entire outstandings or on a portion thereof as it may fix for any default or irregularity on the part of the borrower(s) which in the opinion of the Bank warrants charging of such enhanced rates of interest for such period as the Bank may deem fit.
