Sub: Release of salary for the period of January-April, 2007.

Most Respected Sir:

I was diagnosed as suffering from Acute Myeloid Leukaemia (M3 type) and was admitted in Dharamshila Cancer Hospital and Research Centre, Delhi from 28.12.2006 to 7-02-07 and from 7-03-07 to 31-03-07 and also from 23-04-07 to 8-05-07 for the treatment for first, second and third round of Chemotherapy.

The treatment of the abovementioned disease is different and recurrent hospitalization for treatment with brief intervals to rehabilitate the patient before administration of further chemo drugs is common. As you are aware that the treatment is expensive too and Your honour can very well appreciate the financial limitation of a judicial officer like me. I have already undergone three cycles of hospitalizations and incurred a very heavy cost/expenses. Your honour is also aware that despite my earnest request and prompt action taken by the High Court, the medical advance has not been released by the Government so far.

05. 01.2007

Through: The Hon'ble District Judge, Meerut

Most Respected Sir,

I have been dignosed as suffering from Acute Myeloid Leukemia (M3 Type) a type of Blood Cancer and I am admitted in Dharamshila Cancer Hospital and Research Centre, Vasundhara Enclave, Delhi since 28.12.2006 for the treatment.

I left Meerut on 23.12.2006 to visit my husband and son at NOIDA. I visited doctors because of my bleeding gum problem which was persisting for past two weeks and for that I had visited doctors at Meerut also. On the advise of Doctors blood tests were done at Delhi and the test revealed that my platelet count had become very low, therefore, my Husband rushed me to Apollo Hospital at Delhi in the night of 26.12.2006. Further tests including Bone Marrow aspiration were conducted at Apollo on medical advise and by the evening of 27.12.2006, the Doctor at Apollo declared that I was suffering from Acute Myeloid Leukemia (M3 type), the abovementioned disease.

For a second opinion and better treatment, I visited Dharamshila Cancer Hospital, Delhi on 28.12.2006 along with my husband. The pathological tests conducted at Dharamshila revealed that my platelet count had gone down to a dangerous level, therefore, I was advised immediate admission in the Hospital.

Under the facts and circumstances, I had no option than to get myself admitted in the Dharamshila Cancer Hospital and since then I am undergoing treatment at the same Hospital.

It is, therefore, I am seeking post facto approval for my dignosis and treatment at the abovementioned Hospitals at Delhi because it was not possible for me under the circumstances mentioned above to take prior approval/permission.

It is prayed accordingly.
Office of the Distt. Judge, Meerut.

Sincerely Yours

Most Respected Sir:

I have been diagnosed with AML (Acute Myeloid leukemia) M3 Type and now admitted in Dharamshila Cancer Hospital and Research Centre, Delhi since 28-12-06.

Your honour must be aware that the treatment of AML is an expensive affair and it requires a lot of emotional, financial and social support to fight the disease. During the process of treatment, continuous supply of blood and platelets almost on daily basis will be required, apart from the costly medicines and the apparatus. I wish to bring to your notice by way of an illustration that derivation of unit of platelet costs more than Rs 11000/- and requires one healthy donor. Your honour is also aware of the financial constraints of a judicial officer, who has just started her career.

Under the facts and circumstances mentioned above, your honour is requested to release an advance payment of Rs. 10,00,000/- to enable me to undergo required treatment successfully. The Chemotherapy treatment will begin soon and thereafter for sometime I may not be permitted by the doctors to read and write to avoid infection.

THE HON'BLE JUSTICE V.M. SAHAI,
(ADMINISTRATIVE JUDGE, MEERUT)
HIGH COURT OF JUDICATURE AT ALLAHABAD,
ALLAHABAD.

THROUGH

THE HON'BLE DISTRICT JUDGE, MEERUT

Most Respected Sir:

I have been diagnosed with AML (Acute Myeloid leukaemia) M3 type and now admitted in Dharamshila Cancer Hospital and Research Centre, Delhi since 28-12-06.

Your honour must be aware that the treatment of AML is an expensive affair and it requires a lot of emotional, financial and social support to fight the disease. During the process of treatment, continuous supply of blood and platelets almost on daily basis will be required, apart from the costly medicines and the apparatus. I wish to bring to your notice by way of an illustration that derivation of unit of platelet costs more than Rs 11000/- and requires one healthy donor. Your honour is also aware of the financial constraints of a judicial officer, who has just started her career.

Under the facts and circumstances mentioned above, your honour is requested to release an advance payment of Rs. 10,00,000/- to enable me to undergo required treatment successfully. The Chemotherapy treatment will begin soon and thereafter for some time I may not be permitted by the doctors to read and write to avoid infection.

I have all the reasons to believe that your honour shall appreciate my difficulties and do the needful and for this act of kindness I shall always be grateful.

Sincerely
Shikha Pathak
