In the matter in hand, application dated 10.11.2008 was received in this Court in the year 2008 from Sri Avinash Mishra Civil Judge (JD) Allahabad giving information regarding purchase of Hyundai Santro GLS Car but the same was processed by means of office note dated 8.12.2010.

On being called upon, the office has explained that the delay of two years has occurred in Admin (H) section. The S.O Admin has intimated that the letter aforesaid was mislaid in other file and hence the delay.

It is indeed disquieting that such lapses are occurring with greater frequency and effective measures need to be taken to inculcate sense of duty amongst the staff. I would not flinch from observing that SO is overall incharge of section and it is his duty to ensure smooth working of the section and if the lapse of the sort occurs, he has equally to share the blame for such lapses. In the instant matter, the SO has passed on the buck on the dealing Asstt.

A show cause notice be issued to SO (Admin-H) and also to the Dealing Asstt why the matter be not reported for action to Hon Chief Justice.
