The officer namely Shailendra Singh Civil Judge (J.D.) Meerut has sent intimation about purchase of New Hyundai 1-10 Car Car costing Rs. 4,05,292/-. The cost to the extent of Rs. 2,50,000/- has been arranged by way of loan which is repayable in 48 equal instalment of Rs. 6492/-. The carry home salary of the officer, is indicated to be Rs. 19,885/-. The remaining amount is stated to be taken from his father as interest free loan. The purchase having been made from authorized dealer is in tune with the relevant conduct rules.

The question that rankles me is whether the officer would be available to sustain himself and his family within the meagre amount that survives with him.

The officer be called upon to dilate upon how he proposes to make both ends meet with the amount that survives with him. The report be called for within one month.
