Subject-

**Ref. - Submission of First Property Statement and prayer for condonation of delay in submission of the First Property Statement.**

Sir,

It is most humbly submitted that the undersigned is a U.P. H.J.S. officer (Direct Recruitment) of 2018 Part II and has been presently working as Spl. Judge (NDPS Act)/Additional Sessions Judge, Court No. 7, Ballia.

That the undersigned was having outstation bank account and there was some purchased of mutual fund from the account but details of mutual fund was not linked with the bank account, hence there was some delay in arranging all the details.

Secondly, undersigned booked a flat in an under construction project at Ghaziabad and there was some issue with regard to late payment of installment with builder.

Thirdly, the gold item of the wife was in the custody of my father who is a 80 years old person and jewelry was with the bank locker. Some time was taken in arranging all these property details.

Due to these reasons the property statement was not filed within time. There is no intentional delay in filing the same.

In the aforesaid circumstances, I hereby most humbly pray to condon the delay in submission of property statement.

It is most humbly submitted that after arranging all the details. I have tried to upload the same on the e-service app. on 23.11.2021 and again on 08.12.2021 but due to some mistakes, same was withdrawn and finally I have uploaded my property statement on 09.12.2021.

With Regards.
