

Due to hard and pressing circumstances because of illness as my mother and unavoidable reasons, I could not submit my property statements within stipulated time.

I have neither acquired nor purchased any immovable property after my initial joining on 21-C4-2009 in the U.P. Judicial Services.

I tender unconditional apology for not submitting my previous property Statements within time. I seek the forgiveness of the Hon'ble Court and will always submit my property statements in future within stipulated time.
