Sub:- Submission of Property Statement at the time of joining the Judicial Service

Respected Sir,

With all due humbleness and regard, the undersigned wants to say that I am newly entrant in Judicial service. I had to submit my Property Statement at the time of joining the Judicial Service immediately after joining. But I deeply regret that due to my lack of knowledge, I could not submit it within time. I most humbly request to grant me condonation of delay and accept the submission of my Property Statement at the time of joining the Judicial Service .

With regards,

Date: 10.12.2021

Yours Faithfully .
