Letter No. 383/XXII-CPC/eCourts/Allahabad **Dated:** 06 August 2019

Sub: Wrong Feeding of data on CIS.

Sir/Madam,

This is to inform that repeated complaints are being received by Hon'ble High Court from the litigants with respect to wrong feeding of case dates/data in CIS.

In this regard, inspite of several directions issued from time to time to the District Courts, it is being regularly reported that the dates fixed in Case files and the dates fed in CIS are different. Such act of wrong feeding of data is not only affecting data history of cases in CIS but is also misleading the different Stake holders, using the web based eCourts Services & eCourts App. The entire exercise of Computerization of Cases is becoming futile. The matter is being viewed seriously by the Hon'ble Court.

Accordingly, I have been directed to request that the concerned Judicial Officers & Court Staffs may be directed to ensure that the data entry in CIS is accurate and the violation of the above directions will attract strict action against the erring Court Staff.

With regards,

Yours faithfully

Mayank Kumar Jain
