Subject: Submission of Property Statement

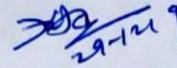

Respected Sir,

Most humbly and respectfully, I am submitting my property statement as on the date of my joining. My wife is working in the field of Patent Law and deals with different companies and patents offices in Singapore, China and Canada. She remained outside of India most of the time during the year. Due to non-availability of details of her property especially her coparcenary rights in ancestral property in her native village in Jhajjar District in Haryana, I was not able to submit the Property statement. After joining, I, my wife or my daughter did not acquire any immovable property, vehicle or any other valuable movable property till the submission of this statement.

I humbly request you to take on record my property statement for further necessary procedure.

Date: 29.12.2019

Yours Faithfully
