Subject:- Reply to the show cause notice dated 21/07/2022.

Respected Sir,

On the above captioned subject, it is humbly stated that on 21/7/2022, the undersigned had reached the office precincts within the stipulated time, however, before entering my chamber, and after parking my vehicle, I proceeded to the district court, which is situated adjacently, as I had to upload online, on the judicial officers portal of the Hon'ble court, my passport renewal application, which was forwarded by your good self a day earlier. I was back in my chamber at around 10.40 am, and I further profoundly express my sincere apologies for not being present in my chamber, when your good self had called. It is further humbly stated that I have never made any aberration from the requirement of punctuality and will always continue to observe the same scrupulously.
