Perused the above directions.

At the very outset, Master Shri Alok Bhattacharjee lacks the locus and authority to pass the above directions, as the undersigned is presently the incumbent member, tribunal and incharge of both the Benches. However, as these purported oral directions are issued by the office of the honorable Chairman, Ahmad of bench I and II are hereby permitted to list cases for the upcoming division bench of the chairman scheduled from 8/5/23 as per existing written directions and circulars, which lays emphasis on old cases as opposed to new cases as orally directed. New cases to be only listed if some urgency is shown and special circumstances cited. 14.5.23
