At Allahabad.

Subject:- Representation In relation to the filling of the integrity column of the annual confidential entry year 2020-2021 and providing the benefit of super time pay scale.

Respected Sir,

I have to humbly request that in my annual confidential entry year 2020-2021 nothing has been filled in the integrity column due to which I have not been given the benefit of super time pay scale. It is notable that no adverse entry has been marked in the integrity column by the Honorable Administrative Justice and the entry of outstanding has been given in the overall assessment. If the Honorable had any adverse information regarding my integrity, the Outstanding Entry would not have been awarded. Apart from this, humbly also say that I have never received any adverse entry regarding Integrity in my entire service.

I humbly request that if my above mentioned integrity column remains blank then my service will suffer.

Therefore, it is a humble request that keeping in view the above mentioned circumstances, my representation for passing the order to mark suitable correction in my annual confidential entry for the year 2020-2021 or not to consider it as an adverse entry and to provide the benefit of super time pay scale, Kindly present it before the honorable court.

With Regards

Yours faithfully

Rajesh Kumar Singh
