Subject- Representation against remarks given by the District Judge in Annual Confidential Remark for the Assessment year 2019-20.

Sir,

It is humbly submitted that the remarks given by the District Judge in Annual self assessment for the year 2019-20 ID No-UP6281 were communicated to me through online portal.

It is humbly submitted that with all due respect I humbly represent against the remarks given by the District Judge in column no 2 regarding overall assessment of the merit of the officer wherein I have been awarded "**Average**" entry by the Respected District Judge.

I humbly beg to bring to kind notice of the Hon'ble Court that in his remarks, it has been recorded that I achieved 2254.53 units against target 1200 units which is much above than the target units. The Respected District Judge has also observed that the officer possesses good administrative capacity and tact. Moreover, I was apprised by him for my punctuality on dais, my personal character and integrity. My Judgments were found to be well reasoned, sound on the point of fact and law and expressed in good language.

Despite the above facts and circumstances, the Respected district Judge has recorded that Year-wise disposal statement of old cases have not been submitted and inspection report of only one quarter has been attached. In this regard I humbly submit that I attached the Year-wise disposal statement and inspection report of all four quarters with the Self Assessment, but the same was not taken into consideration by mistake. Moreover, the Respected District Judge has observed that disposal of Execution cases is nil. I beg to pray in this regard that no execution case was pending in my court, it is because of this reason, the disposal of execution cases is nil.

Therefore I most humbly submit that "**Average**" does not properly justify the efforts which I put in judicial and administrative work during the assessment year and hence, It is most humbly prayed to the Hon'ble Court that the above mentioned facts may kindly be considered and the "**Average**" entry in column No-2 regarding the overall assessment may kindly be upgraded to any other higher suitable entry which the Honorable Court deems fit.

✍

It is requested that my submission may kindly be placed before the Honorable Court for kind and sympathetic consideration. I shall be indebted to the Honorable Court for my whole life.

With regards,

Dated-

Yours Faithfully
