Subject: Representation for upgrading overall assessment of the applicant for the year 2020-21 as recorded by the esteemed District Judge, Budaun which was communicated to the applicant on e-Services Portal for Judicial Officers.

Sir,

It is submitted, most respectfully that the applicant has worked as Additional Civil Judge(Junior Division) in Budaun Judgeship during the assessment year 2020-21. The esteemed District Judge, Budaun has certified the integrity of the applicant and found it beyond doubt. She was found fair and impartial in dealing with the public and Bar and was also found cool minded. The District Judge has also stated that no complaint has been received against her during the whole year. The esteemed District Judge has also stated in his remarks that the applicant properly fixed cases in sufficient number to keep herself engaged during full court hours and she avoided unnecessary adjournments. The esteemed District Judge has also stated in his remarks that the judgments delivered by the applicant are well reasoned, sound and well discussed. Her appreciation of evidence in writing judgments was found very good and application of law in her judgments was also found very good. Further, the District Judge has also stated that she decided 248 cases after actual full contest and her control over the office and administration capacity and tact is very good. Her relations with Members of the Bar and brother officers was found cordial. However, despite the above mentioned bright observations the esteemed District Judge, Budaun assessed the applicant as "**Good**" Officer in the assessment year 2020-21.

It is submitted with profound humility that the applicant has performed brightly and achieved targets fixed by the Hon'ble Court as it is reflected from the following facts :-

(a). The applicant has decided 89 five years old cases and 49 ten years old cases.

(b). She has decided two Civil cases of 1996 as contested and two cases of 1999 and one case of 1992 as uncontested. She has also decided Criminal cases of the year 2000 and 2001 as contested cases and she has also decided 11 cases which were more than 20 years old as uncontested.

(c). The applicant has disposed off 198 cases in Lok Adalat during the said year.

(d). The applicant has achieved 1809.99 units against targeted 560.40 units which comes to 322.98 percent.

(e). The applicant has participated in following webinars and workshops during the year 2020-21 on various topics :-

- (i). Dimensions of Primary Education in a changing Indian Scenario.
- (ii). Economic Nationalism & Globalisation.
- (iii). New facets of Freedom of Speech and Right to Life.
- (iv). Domestic Violence during Lockdown : An Invisible Pandemic ?
- (v). Workshop on Expedious disposal of cases under section 138 Negotiable Instrument Act, 1881.
- (vi). Special webinar to elaborate International Human Rights.
- (vii). Online third round Cluster Programme / Workshop.

As the applicant has worked relentlessly with devotion and dedication, she was expecting bright overall assessment by the esteemed District Judge but she was graded as only a "**Good**" Officer, because of which the applicant felt disappointed.

It is, therefore, prayed that taking into consideration the judicial and academic work undertaken by the applicant as mentioned above, her overall performance should be upgraded.

Kindly, place my representation before the Hon'ble Court for gracious consideration.

With regards,

Yours faithfully,
