1- In the light of point "C" in aforesaid C.L. about quality of Judgements on fact and law are sound and well reasoned and expressed in good language in this regard the Hon'ble Principal judge (Family Court) found **Yes** in point 1(f).

2- I have decided cases (123 + 86 = 209) in Lok-Adalat and on basis of compromise in open court.

3- With regard to Action Plan disposal of oldest/old cases figure is as follows-

I- More than 5 Years old = 52 Cases out of 180 cases decided.

II- More than 10 Years old = 10 Cases out of 35 cases decided.

III- More than 20 Years old = 02 Cases out of 02 cases decided.

IV- From list of 5 oldest cases of different categories- 20 Cases were decided.

4- I have disposed 02 Civil Execution in this Assesment Year.

5- With regard to Execution of maintenance of U/s 125 (3) Cr.P.C. 75 cases were disposed during this Assesment year.

6- In spite of pandemic I have given contested judgements in 73 Cases.

In this Assesment year work units 587.12 was required against which I have achieved work units 1428.85 units ie. percentage-wise 243.36 %.

On above mentioned grounds I deserved to get much better remark than '**Good**' in overall Assesment of Annual remarks Proforma.
