

no 06/2019 on 20.09.2021. The opposite party Sachin kumar has filed an objection for the stay of execution on account of pendency of restoration Application as well as application under section 17 of provincial small cause court Act, 1882. The date fixed in SCC Execution 01/2022 is 01.07.2022 for disposal.

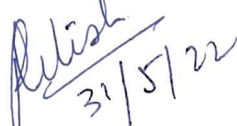

Hence, both Execution files are not mature enough to be disposed off finally and in full satisfaction of the decree.

More over during the financial year 2021-2022 there were Covid-19 restrictions and also I was on Medical leave due to the retinal detachment surgery of my left eye which the Hon'ble District Judge, Etah has himself admitted to in his own overall Assessment column no (2) where he rates me as a " Good Officer" and in Column no (4) he made the following remarks :-

" The Officer remained on medical leave for 45 days during the year and due to restrictions of Covid-19 the functioning of courts remained hampered/restricted, otherwise the officer could have performed better".

In view of these circumstances, It is therefore humbly requested to place my representation before the Hon'ble Court for its kind consideration and it may be pleased to expunge the negative remarks in column no 01 (e) (iv) recorded in my Annual confidential remarks relating to the year 2021-2022. I shall remain grateful for the kindness of the court.

Your's sincerely,
