Regarding- Representation against ACR 2021-2022

Sir,

With profound regards, I would like to state you that, I have already submitted the Representation against ACR 2021-22 given by respected District Judge Sri Yashwant Kumar Mishra through e-services for judicial officers module. The Representation is still showing in confidential section, hence it has not been forwarded to Hon'ble Administrative Judge. In mean time, The Hon'ble Administrative Judge has approved the ACR/Grade as given by Respected District Judge. I have been unheard. There have been the other Judicial officers naming them is not proper who have not been achieved the required Quota/units and there have been the other Judicial officers of HJS cadre who have been awarded good & some of them represented naming them is not proper have considered and upgraded from 'Good' to 'Very Good'. There have been officer naming them is not proper who has not been represented against his ACR, they have been uprgaded and approved from 'Good' to 'Very Good'. I have no any personal vendetta against them actually I do feel some what unfortunate to have the grace of Hon'ble Court

As I have mentioned my performance in details in ACR and in representation also. I am annexing the same again. In term of

qualitative and in Quantitative judicial and in administrative work, I have done the best even among to those who have been awarded Excellent. I deserve to treat equal among equal, equity demand so. The cause of dispensing justice demand the work be performed for welfare of society and the nation. I have been deprived by not considering the work despite Covid-19 situation. The Gradation must be objective in term of performance.

There are happened to few occasion for a judicial officer career to have a appreciation of judicial work from Hon'ble High Court. I have been appreciated in matter Under Article 227 No, 1254 of 2022, Rajendra Mohan Vs Lalit Mohan and others, Civil Appeal No. 143 of 2009 pending in the court. I have decided the highest number of arbitration matters on merit in District Bulandshahr Judgeship.

Therefore it is requested to you to place my submission before Hon'ble court for kind consideration to upgrade and approve the ACR/rating from 'Good' to other higher grade. It is also request to Hon'ble Court to pardon me for any inconvenience.

Date: 28-07-2022

Yours Sincerely,

(Hemant Kumar-II)
