Sub : Request for correction in the data of Action plan report sent on 31.052023.

Respected Sir,

Most respectfully, I submit that The Action Plan Target and Disposal of cases submitted against Mrs. Shabistan Aquil, A.D.J.(D.A.A.), Lalitpur, is wrongly written as target – 50 cases and Disposal – 17 cases. Whereas the **Actual Target is 45 cases and officer has disposed of 58 cases.**

I humbly request Sir, to kindly consider the above correction, this mistake occurred because the Action Plan data available with me is Court-wise data.

With Profound Regards,

Yours faithfully,

Anupa Rai
