Sub : Request for correction in the data of Action plan report sent on 31.05.2023.

Respected Sir,

Most respectfully, I submit that The Action Plan Target and Disposal of cases submitted against Mr. Akshaydeep Yadav, then Cl.J. (S.D.) (F.T.C.), Lalitpur, is wrongly written as target – 40 cases and Disposal – 18 cases. Whereas the **Actual Target is 75 cases and officer has disposed of 60 cases.**

I humbly request Sir, to kindly consider the above correction, this mistake occurred because the Action Plan data available with me is Case -wise data not Officer-wise.

With Profound Regards,

Yours faithfully,

Anupa Rai
