Sub : Request for correction in the data of Action plan report sent on 31.05.2023.

Respected Sir,

Most respectfully, I submit that The Action Plan Target and Disposal of cases submitted against Mr. Ranjeet Kumar Verma, **Cl.J. (Jr.D.), Lalitpur**, is **wrongly written as target 75 cases and Disposal 10 cases. Whereas the Actual Target is 75 cases and officer has disposed of 42 cases.**

I humbly request Sir, to kindly consider the above correction, this mistake occurred because the Action Plan data available with me is Case-wise data.

With Profound Regards,

Yours faithfully,

Anupa Rai
