→ 108 cases more than 10 years old have been disposed by me out of which some were the oldest pending cases in the entire Fatehpur Judgeship.

Honible Sir/Madam,

With utmost respect I would like to most humbly state that on the basis of my work respected District Judge has assessed my work as "Good" which to my belief is not just and proper assessment of my work.

Honible Sir/Madam,

I would most humbly like to bring to your kind attention to the fact that current respected District Judge has taken the charge of District Judge Fatehpur in the month of September 2022. Ever since he has taken the charge his

behaviour has not been appropriate towards me in one way or the other for the reasons best known to him and unknown to me.

Hon'ble Sir/Madam, I would most humbly like to bring to your knowledge the entire series of incidents that unfolded one after another from the date of his joining in the month of September 2022 till now that will clearly reflect upon his inappropriate behaviour and ill-conduct towards me which have deeply affected me both personally and professionally. The series of events are as follows:—

Firstly,

Ever since respected District Judge has joined as District Judge Fatehpur, he used to call me at highly inappropriate timings, such as 11 pm. in the night or 6 am. in the morning for no official purpose whatsoever. He used to keep on asking about unnecessary personal details i.e., about my family members, my fiancée (at that time), my education, my hobbies, about my upcoming marriage etc. and used to keep on talking for hours.

Secondly,

During court tours he used to call me in his chamber very often without any specific reason and used to talk about personal stuff for long durations. Once when I asked him about the reason of calling me to his chamber, he said and I quote " मैं तो कोशिश करता हूँ कि किसी ना किसी बहाने से तुम्हारा सुन्दर चेहरा देखने को मिल जाये"।

After few days of tolerance to this absurdity I lost my patience and went to his chamber and requested him not to call me unnecessarily on phone or to his chamber unless there was anything official to be communicated to which I shall be ready for compliance. On this he became very furious but stopped calling me unnecessarily from then.

Hon'ble Sir/Madam, I would request you that if the authenticity of above statements is to be verified kindly fetch my COR.

Thirdly,

Hon'ble Sir/Madam, I could have complained about these things to the internal complaints committee at that time but since my marriage was due in the month of december, therefore

I wanted to avoid any such complaint that could seriously cause hindrances in my marriage and further affect my reputation adversely at such crucial times.

Fourthly,

Honible Sir/Madam, On various occasions respected District Judge has been passing inappropriate comments about my looks, appearance, physique etc. in front of fellow Judicial officers which has often made me extremely uncomfortable at times, but I kept on ignoring such conduct on his part since it could create problems in my personal newly married life.

Fifthly,

Honible Sir/Madam, The height of his indecent ~~behavior~~ and inappropriate behaviour reached when on 11th May 2023 he started howling at me and my husband in front of all Judicial officers of Judiciary. I would briefly like to narrate the entire incident that took place in the meeting hall of Fatehpur Judiciary in front of all fellow officers on 11th May 2023.

Honible Sir/Madam,

A meeting was called by respected District Judge in the meeting hall of Fatehpur Judgeship on 11th May 2023. I along with my husband who is also a judicial officer were sitting in the meeting hall with all fellow officers of the Judgeship. After a wait of around 15 minutes respected District Judge came out of his chamber and started the meeting. After a while he started shouting at me regarding a letter sent by me related with infrastructure in J.J.B. which has been annexed with this representation for your kind perusal.

Honible Sir/Madam,

Respected District Judge started shouting at me in front of all fellow officers and said that "आप कोई काम खुद नहीं करना चाहती हैं। आप यहाँ से जाती हैं और पीछे से आपका letter चला आता है।"

Hon'ble Sir/Madam, then he started shouting at my husband in a very high

pitel, who was just transferred to Fatehpur
 Judgship and had nothing to do with this
 official matter. He said to him - " तुम अपने
 आप को पढ़ने लिखने में बहुत तेज़ सम्मते
 हो कि हर बात पे बड़ी चालाकी से letter
 भेज दोगे ।"

Hon'ble Sir/Madam, at this point I would
 like to bring to your knowledge the fact that
 when I joined as Principal Magistrate J.J.B.
 in the month of May 2023, I orally communicate
 to respected District Judge about the conditions
 of infrastructure there. In response to this
 he kindly asked me to write down a
 letter to him highlighting about the problems
 there, so that necessary measure could be
 taken on his part. But when in compliance
 of ~~the~~ his order I did the same, he
 got offended and scolded at me and my
 husband in the meeting hall in front of
 all the fellow officers.

Honible Sir/Madam, here again I
 would like to mention the fact that when
 the abovementioned letter was sent by me,

no receipt of that letter was given to me and this incident took place. Thereafter I had emailed that letter on the official website of Fatehpur Judiciary. Following this incident respected District Judge kept on refusing to give me receipt on further official communications made by me. Therefore, I had to use online forum for further correspondence the details of which are available on the official mail i.d. of Fatehpur Judiciary.

Horrible Sir/Madam. This behaviour on the part of respected District Judge has deeply affected my ~~own~~ psychological and physical health. He has created a state of constant trauma, humiliation and disgust for me at the workplace. Due to his indecent remarks and inappropriate conduct towards me I feel a constant state of mental agony, pain, unrest and panic at the workplace.

Finally, to conclude I would like to most humbly state that respected District Judge has through his conduct both verbally and non-verbally expressed bad behaviour towards a female Judicial officer. Therefore I would request you to kindly treat this representation of mine as an official complaint against him for consistently showing disrespectful behaviour towards me. Hon'ble Sir/Madam, the ACR given by him to me is to my deepest belief completely clouded by his prejudice against me and has nothing to do with my dedication, hardwork and performance in my work.

At last I would most humbly request you to kindly accept my representation for the purpose of awarding ACR to me. I will be highly obliged.

Thanking you

yours faithfully
Ganga Sharma
