**Sub: Prayer for upgrading Annual Confidential Remarks entry
accorded by the then Hon'ble Administrative Judge, Auraiya**

Respected Sir,

I have to submit very humbly that it is very traumatic as I am caught in a predicament where a subordinate has to comment and challenge the remarks of a superior, but it is vital and a demand of necessity for future career prospects.

The undersigned most respectfully wishes to bring to kind notice of Hon'ble Court that being posted as Priding Officer Motor Accident Claims Tribunal Auraiya, in the year 2022- 23, the work done by the undersigned was 2340.14 Units i.e. 294%, disposing 206 cases more than five year old, 17 cases more than 10 years. Undersigned has inspected his office and his court on regular basis and within time. No complaint, of any kind has been received against me during the said period. The then Hon'ble Administrative Judge, Auraiya, appreciated the work and graded me as "Good".

I worked hard with integrity, honesty, loyalty, respect, and responsibility, and achieved more than the prescribed quota. It is pertinent to mention here that during the said period no D.O. was issued by the Hon'ble Court, for my behavior, conduct and Judicial work. I have strived to uphold the highest standards of judicial ethics and have been consistent in disposal of old cases. I am unable to unfold the reasons, as to where and on what criteria, I was falling short.

I most submissively pray that considering the above grounds and keeping in view my future career prospects, my ACR for year 2022-23, may please be upgraded.

The undersigned once again humbly prays that the grounds and circumstances enumerated above for upgrading the entry may please be considered. Kindly place my representation before Hon'ble Court for kind consideration.

The undersigned would be highly obliged.

With utmost Regards.

Date 27.09.23

Yours Sincerely
