To,

The Registrar General,
Hon'ble High Court
Allahabad

Sub. Representation against remarks recorded by District Judge
Farrukhabad in the Annual confidential report 2023-24.

Sir,

I beg to submit before the Hon'ble court as under:-

- 1- That I submitted my "Self Assessment Form" in proper proforma for the year 2023-24 before Distt. judge in time.
- 2- That the Distt. judge Farrukhabad sri vinay kumar III has gone through the self Assessment Form and then recorded in his report about my work and conduct "satisfactory" and then rated me only "very good" which is apparently not proper and against the record submitted before him.
- 3- That in the last two years 2021-22 and 2022-2023 the then District Judge recorded in their report all works are satisfactory and then rated me as "outstanding."
- 4- That in the year 2023-2024, I decided much more cases of all sides, and concluded maximum administrative work assigned to me time to time but that all have not been looked into properly by the District Judge and wrongly rated me as only "very good". II grade remarks.
- 5- That the District Judge Farrukhabad has unnecessarily recorded "outstanding remarks in the annual report of Sri Ghanshyam Shukla, C.J.M. and Sri Vishnu Chandra Gupta, A.D.J. whereas their work and disposal of cases were very poor and low in comparison to some other officer working under him.
- 6- That the judicial scale of District Judge Farrukhabad was not proper in rating the officers while recording remarks. He remain confined on castiesm and favourtism and wrongly rated me showing "very good" (II grade remarks) ignoring the truth.
- 7- That my self assessment form submitted before District Judge was the main document which can be perused by the Hon'ble Court for satisfaction.

I, therefore, request to the Hon'ble Court to see my work and conduct and also my prvious records and then on satisfaction set aside "very good" (II grade remarks) replacing by "outstanding" which is necessary under the circumstances at present.

With Deep Regards.
