

Sir,

It is humbly submitted that I have purchased Maruti Ciaz car vehicle no. UP50 BU 0234 in the month of February 2020. In that month my gross salary was Rs. 220308 and on deduction of Rs.40005 in G.P.F., Rs. 480 in G.I.S., Rs. 78940 as income tax and Rs. 1000 as G.V.R. the take home salary (Net Payable) became Rs. 99963. Perusal of copy of verified statement of pay for the F.Y. 2019-2020 (Attachments 1/1 & 1/2) shows that amount of my take home per month salary has varied with the variation in the amount of deduction and maximum take home per month salary in that period was Rs. 146566.

At present I am owner of Revolver 0.32 bore (I.O. Make) B 4746, registered owner of Maruti Ciaz car vehicle no. UP50 BU 0234 and registered co-owner of Escorts Tractor vehicle no. UP02/9381. These Revolver and Car were purchased by me and I obtained co-ownership of this tractor by succession on the death of my father Late Shri Vibhishan Lal Sharma @ Shri Bhavishan Lal Sharma, who was its previous owner.

I have regularly submitted reports on attaining ownership/co-ownership and also the statements showing movable & immovable properties as required by Hon'ble High Court of Judicature at Allahabad from time to time and the latest statement relating to such properties held up to the F.Y. 2018-2020 (copies attachments 2/1 to 2/4) was submitted by me online on 21.07.2020. The immovable properties shown therein were never purchased by me as these are my ancestral properties and I have attained ownership on these properties by way of succession.
