**IFS FORENSIC SCIENCE EDUCATION-****IFS EDUCATION DEPARTMENTS ONLINE COURSES: (Revised on: 30 June 2009)****FORENSIC SCIENCES AND CRIMINOLOGY- Course Code: FSC001**

INTRODUCTION: Forensic science is a vital instrument for the detection or investigation of crime and the administration of justice, providing crucial information about the evidence found at crime scene; Forensic Experts work both at the crime scene and in the laboratory often must be used in court, it is especially important that the training and education of forensic scientists provide a solid scientific background and a broad base in criminalistics. The validity of those results depends on the knowledge, skills, and experience of the forensic scientists working to obtain them. A forensic scientist must be capable of integrating knowledge and skills in the examination, analysis, interpretation, reporting, and testimonial support of evidence. According to the U.S. Bureau of Labor Statistics, the median hourly earnings of forensic science technicians are about \$21.79 per hour.

**Course Contents:**
