## FROM THE VICE-CHANCELLOR'S DESK

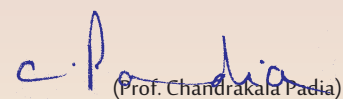

I feel honoured to present the prospectus of 2015-16 of Maharaja Ganga Singh University, a premier institution of higher studies. It is a matter of great satisfaction that the University has consistently grown and developed since its establishment. It started with five academic departments, namely M.Sc. (Environmental Science), M.Sc. (Microbiology), M.Sc. (Computer Science), M.A. (English) and M.A. (History) at its environment friendly new campus located on the National Highway No. 15 at Bikaner in Rajasthan. The faculty members of the University, affiliated colleges and resource persons of great repute from other universities of India have taken great pains to revise the syllabi in such a manner as to incorporate all the recent developments in a particular discipline and to cover most of the syllabi prescribed in NET, RPSC, UPSC examinations.

The huge campus of the University which is spread over 1127.07 bighas of land, has well constructed buildings segmented as Academic Block, Administrative Block, Vice Chancellor's Secretariat, Examination Block, Central Library, Sports Complex, Research Directorate, Student's Union Office, Guest House and Canteen. Some new buildings are already in the process of being constructed such as Boy's Hostel, Girl's Hostel, Teacher's Quarters, etc.

Since its inception as an affiliating University, Maharaja Ganga Singh University (formerly known as University of Bikaner, Bikaner) has achieved significant strides. The University plans to involve all the stakeholders, students, teachers and members of the society from different walks of life in the formation of its academic programmes. The University has taken up many extension activities for the benefit of the disadvantaged classes of the society. The University cherishes the dream to evolve itself as the Centre of Women Empowerment, Value Education, and India's Intellectual Tradition.

I take this opportunity to thank the University family for their valuable contributions in ensuring academic excellence and student friendly environment.

  
(Prof. Chandrakala Padia)

## ABOUT BIKANER

Bikaner is a city in the northwest of the state of Rajasthan in northern India. It is located 330 kilometres (205 mi) northwest of the state capital, Jaipur. Bikaner city is the administrative headquarters of Bikaner District and Bikaner division. It was formerly the capital of the princely state of Bikaner. The city was founded by Rajput Rao Bika in 1486 and from its small origins it has developed into the fifth largest city in Rajasthan. The Ganges Canal, completed in 1928, and the Indira Gandhi Canal, completed in 1987, facilitated its development.

### Climate

Bikaner is situated in the middle of the Thar desert and has a hot climate with very little rainfall and extreme temperatures. The climate in Bikaner is characterised by significant variations in temperature. In the summer season it is very hot when the temperatures lie in the range of 28–48.5 °C. In the winter, it is fairly cold with temperatures lying in the range of 5–23.2 °C. Annual rainfall is in the range of 260–440 millimetres.

### Art and culture

Bikaner is notable for Asia's biggest National Research Centre for Camel (NRCC), handicrafts and leather articles, Bikaneri bhujia, Karni Mata temple, wool production, camel festival, havelies and palaces, sweets, PATA culture (wooden made big square size table which is placed in the streets where localites sit at their leisure) and its warm hearted people. The city is also known for its intricately carved Jharokas. These red sandstone jalis (screens) are found on the windows of the Junagarh fort, temples and havelies (mansions of Northern India). The red sandstone for these stone window screens was supplied by the nearby village of Dulmera.

# ABOUT MAHARAJA GANGA SINGH UNIVERSITY

The establishment of Maharaja Ganga Singh University at Bikaner marks an important milestone in the evolution of tertiary education in Rajasthan, area-wise the largest state of the Republic of India. Tertiary education, which modern Universities develop and deploy for the benefit of humanity, aims for universality, but at the same time, it is now being increasingly realized, that it must also prioritize the solutions of the problems for the territory in which it is located. Investment in people, in human skills and abilities is equally vital. The quality of an organization relates directly to its people, their work ethos, knowledge and skills. Creating human resource asset has become top priority. Educational planners in this country have realized the need for initiatives for career oriented courses and value education.

## Origin

Maharaja Ganga Singh University, Bikaner (formerly named as the University of Bikaner) has been established by the University of Bikaner Act, 2003 (Act No. 13 of 2003), the Rajasthan Gazette Extraordinary Part-4(Ka), published on June, 07, 2003 as a new State University.

## GENERAL INFORMATION

### ENROLLMENT

No one shall be admitted to any examination of the University unless enrolled as a student of the University. The enrollment fee shall be paid once only irrespective of the number of times the candidate appears at examination of the University or whether he/she appears as regular student or as ex-student of an affiliated college of the University or as a private candidate.

### MIGRATION

In the case of student who takes a migration certificate to join another University, his membership of the university shall lapse until such time as he may subsequently return with a Migration Certificate from the other University. No enrollment in such case shall, however, be necessary. Provided that this lapse of membership shall not debar a student from appearing at an examination in an examination in an additional optional subject for a degree already taken from the University.

### ATTENDANCE RULES

The expression "regular course of study" means attendance required to be put in by the candidate in the lectures, tutorials and practicals as provided in the ordinances for the respective examinations to be taken by the candidate. Subject to the provisions of condonation, a candidate who fails to put in the required minimum attendance shall not be allowed to appear at the examination.

The University would be under an obligation to ensure 75% attendance of a regular student out of the total classes held in an academic session in the University Departments/Constituent Colleges/Colleges affiliated to the University as required under the guidelines of U.G.C. and as per direction of Hon'ble High Court, Rajasthan.

In no case relaxation is given for appearing in the examination where the student has not completed 75% attendance

### DISCIPLINARY ACTION

The following provisions are laid down for dealing with the cases of indiscipline:

1. When a student has been accused/guilty of serious criminal charge(s)/grave misconduct/persistent negligence of work or misbehaviour, the Principal of the constituent/affiliated college/ Director of University School or College or Institutions/Head of University Teaching Department/Dean, University Studies in Arts/ Fine Arts/Social Science/Science/Commerce/Law where he is studying, the Chief Proctor may suspend a student forthwith from attending the classes. During the period of suspension, the student will not be allowed to participate in any activity of the College/University including appearing at the examination. When the student has been suspended or an inquiry is pending against him, the Warden or the Chief Warden of University Hostel(s)/ Principal may suspend or remove such a student from the hostel.
2. Soon after suspension, the case will be referred to the standing Discipline Committee of the College/University. The Chairman of the Standing Committee shall be a senior member of the teaching staff with 5 to 6 other members of staff nominated by the Principal/Vice-Chancellor. The members should preferably be the representatives from all the major faculties.
3. If a criminal case has been registered in a court of law by the Police Station, the student shall be suspended immediately.
4. No student who has been so suspended or expelled shall be admitted to any other College/teaching unit of the University without the permission of the authority which suspended /expelled him within the period of his suspension/expulsion.
5. On appeal from the student, the Director, College Education in the case of affiliated college and the Vice-Chancellor in the case of the University teaching units

may review the case and after due consideration may decide to concur or enhance or reduce the punishment

6. All cases of indiscipline shall be reported to the parents/guardians of the concerned students.
7. If any student causes damage to University/College property in addition to the disciplinary action, the student or his parents/guardians shall have to compensate the damage caused.

#### PROCTORIAL SYSTEM

The University has a Proctorial system, which deals with the problems connected with the maintenance of discipline on the University campus. A strict and immediate action may be taken against any student who violates discipline. All cases of indiscipline are reported to the parents of the defaulters. The parents of defaulters are also invited to discuss the cases of their wards, if any student is found guilty more than once or whenever the Proctor considers it necessary. This proctorial officer also maintains a Defaulters Register in which the record of all cases of indiscipline is kept.

Under ordinance 88 the following action can also be taken:

1. Entry of the defaulters and punishment given can be made in the Character/Transfer Certificate.
2. Character Certificate may be refused.
3. Admission in the next session may be refused.
4. Record of action taken or punishments given be communicated to future employers in case a confidential enquiry is received.

The University community is a family and any act of indiscipline is a loss to the whole institution. It is the moral duty of every student to safeguard the honour and fair name of his/her institution.

The College/Department issues an identity card to every student. This must always be carried by every student with him. They must produce this card for identification whenever required by the authorities. Action may be taken against students who fail to produce their identity card when required by the Proctor/any other authorized officer of the University in buses, libraries or any other place of academic activities.

In case of indiscipline or breach of peace, the aggrieved party will report to the Proctor/Head of the Department concerned who will investigate and take disciplinary action. A copy of the report and action taken shall be sent to the office of the Chief Proctor for the purpose of record. The cases of indiscipline involving students of more than one Department will be dealt with by the Chief Proctor to whom the aggrieved party will send his complaint through the Proctor/Head of the Department.

Present Proctor is Dr. Raja Ram Choyal, Associate Professor, Department of Environmental Science.

## CENTRAL LIBRARY

The Central Library of the University was shifted to its sprawling and state of art building located in University campus in 2013. The Central Library was formally inaugurated by Shri Ashok Gehlot, the then Chief Minister of Rajasthan. The resources of Central Library have grown continuously, and the University administration plans to acquire a sufficient number of books, journals, periodicals and e-resources to provide adequate study and reference material to researchers, Students and Faculty members. The Central Library aims at "knowledge generation and its application through effective dissemination".

### Library Sections

The Central Library has following sections:

#### I. ACQUISITION SECTION

In order to acquire all sorts of reading and research materials, there is an Acquisition Section which acquires and collects them for the use of the readers. In order to provide these reading materials, the acquisition section after accessioning the reading materials sends them to the technical section for processing so that books and other reading materials could be used in their respective sections.

#### II. TECHNICAL SECTION

There is a Technical Section for the processing of all reading and research materials acquired, where they are classified and catalogued and labeled and pasted before they are sent to the respective sections.

#### III. CIRCULATION SECTION

The Students and the Faculty members can borrow and return books through this section. At present, there are more than 5000 books for circulation.

#### IV. PERIODICAL SECTION

There is a well-equipped section of Periodical Literature to meet the needs of the Faculty members, the research scholars and the students. In this Section all the current periodicals are displayed properly for the use of the readers and their back and bound volumes are maintained in systematic order.

#### V. RESEARCH AND REFERENCE SECTION

In this section, doctoral dissertations approved by this University, are maintained properly, and provided for consultation to the research scholars / teachers of affiliated Colleges and research scholars of other universities. This section also maintains other categories of reference materials required for research purpose.

#### VI. REPROGRAPHIC SECTION

To provide Reprographic services, there is a Photocopier section, which has an advanced photocopying machine for providing Photostat copies of the document desired.

#### VII. COMPUTER SECTION

At present the library subscribes DELNET facility for all its users. Through this facility users search books in union catalogue and use them by the inter library loan facility.

#### LIBRARY SERVICES

Library offers following services to their users:

Current awareness service

Circulation service

Reference services

Reprography service

e-Library services

Internet services

OPAC (in Process)

Wifi Campus

#### LIBRARY AUTOMATION

Library has SOUL 2.0 Library Management Software. The automation work is in process.

## SPORTS & GAMES

Since its inception, the University has paid attention to Sports and Games. Both male and female Students are given equal opportunities to demonstrate their talent in games & sports. The performance of the University players and athletes has been remarkable especially in Cycling, Weight Lifting/Power lifting, Athletics, Shooting, Archery, Judo, and Handball in Inter University Competitions.

By and large in an academic session, around 50 inter college competitions are organized by the affiliated colleges of the University and around 40 to 45 University sports team participate in inter University competition every year. Every year about 450 male and female students of the University participate in these events. A comparative study of the achievements of the other Universities of the State with that of Maharaja Ganga Singh University shows that the level of the participation in national, regional and local tournaments and number of Medals won by the students of the aforesaid University is far greater.
