

Sir,

with reference to instant request dated 01.10.2020 of Sri Shashi Bhushan Pandey, Additional District Judge, Ghaziabad, I have to say that sanction of final withdrawal for purchase of house flat plot is allowed only after concerned officer has finalized the property for purchase of which sanction request is being made as necessary details viz. builder/apartment name, geographical situation of flat house, sale consideration price, etc. of same are mandatorily required to be furnished to this office. From perusal of said application dated 01.10.2020 of Sri Pandey, it is evident that he has not yet finalized the property intended to be purchased by him. In such a scenario, said request cannot be entertained.

It is therefore requested to kindly ask Sri Shashi Bhushan Pandey aforesaid to finalize the property intended to be purchased and thereafter move fresh application with all above desired details then only request for sanction of final withdrawal shall be processed.
