Respected Sir,

With utmost request, it is to inform you that the amount of Rs. 3,00,000 given from my father against the payment of car was given purely as a gift out of natural love and affection to meet out expenses of purchasing car. The gift money has been paid through voucher transaction no. 020160707349. The source of the same was his salary account. Due to covid-19 and underlying circumstances, the applicant was in urgent need of a private vehicle which she did not have at the time of joining of services. As the amount was not a loan but a gift and as the same is granted to me by my father, the closest blood relative, it was presumed that prior permission was not required to be obtained for the same. However, in this regard, I humbly apologize for the same.

I am submitting and hereby annexing the supporting documents for your kind information. Request you to please accept my documents and process them. For the above act, I shall always be thankful to you.

Dated- 31-05-2022

Yours Sincerely,

(Vertika Shailat)
