Respected Sir,

With all due respect and humbleness I have to say that I am Surya Kant Dhar Dubey student of Ph.D and enrolled in September 2011 in light of **letter no.9438 dated 1/9/2011** issued by **Faculty of Law, University of Delhi**. My topic is "**Sentencing in criminal justice in India : A critical study**" and Respected Dr. Vandana was my supervisor. I was pursuing research work with utmost sincerity and dedication under the constant supervision and guidance of my supervisor Dr. Vandana. I completed my substantial and considerable research work by the beginning of 2013. Meanwhile I was selected in Uttar Pradesh Judicial Services but continued my research work and sought guidance of my supervisor on next course of action for research work. After that as and when I approached my supervisor no cooperation rendered by her nevertheless I remained engaged in research work. Finally I joined U.P judicial services in month of may 2013 and presently working as Judge in U.P. Even after joining the service I contacted my supervisor through personal meeting and some time by telephone but her response was not satisfactory. As I was at the verge of completing the research but after joining the service due to personal problem and other reasons I could not complete my research work.

In the month of May 2019, I had written a mail to then Dean (Prof. Ved Kumari) Faculty of Law stating my present state of affair of Ph d work. She advised me to approach the supervisor. I contacted my supervisor for my Ph.D work, but no result yielded. Then I again approached to Dean(Prof. Raman Mittal) with request to change the supervisor and moved an application to this effect before Faculty of law on 17.12.2019 (herewith attaching the copy thereof). Respected Sir nor my application has been taken into consideration yet nor I have been informed about further action to be taken by me. Sir as University has given a golden opportunity to its students vide Ref Corrigendum No. Acad.1/Centenary Chance)2022/Dated 27.05.2022, to complete their unfinished course, I am ready and willing to submit my research work. So on considering above mentioned peculiar condition, I request with folded hand that kindly do the needful and I be Permitted to complete and submit my research work for award of Ph.D degree.

I will highly be obliged.

Herewith I am attaching my enrollment letter, application moved before faculty

Yours Sincerely

Surya Kant Dhar Dubey
