**Subject: Submission of Ph.D. Thesis**

Respected Sir,

I am writing to formally request the submission of my Ph.D. thesis and to initiate the process for award of my Ph.D. degree by the University. My research journey has been both rewarding and challenging, and I am grateful for the guidance and support provided by my Ph.D. supervisor and the department throughout this period.

I am pleased to inform you that I have completed all the necessary requirements for the Ph.D. program, including the coursework, research work, and any other obligations specified by the department. As a result, I am now ready to submit my thesis for examination and proceed with the further process. I am submitting all the documents in soft and in hardcopy along with this application as required by the University.

I kindly request your assistance in initiating the necessary procedures for the examination and evaluation of my thesis as per norms.

Once again, I want to express my gratitude to the department for the support and encouragement I have received during my academic journey. I look forward to your response and guidance on the next steps.

Sincerely,

*Ananya Singh*
