Dear Brother,

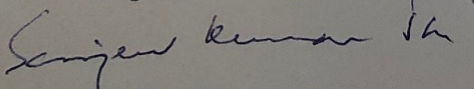

I invite you to visit us and spend some time in the USA with us and attend an auspicious event we have planned in the month of April 2020.

As you know my wife, Sarika is expecting a baby in mid-May 2020. In order to celebrate our happiness and well-being of up-coming baby & her mother, we are planning to organize "*baby shower*" on 25th April 2020. This will be a family celebration with some of our close family members and friends.

This event will be incomplete without your presence and blessings to the expecting mother. I request you to please to join us for this occasion at our home in Atlanta, USA.

I will be taking care of your entire USA trip expenses, including the round-trip air fare, food, housing, medical insurance etc.

Warm Regards,

Sanjeev Kumar Jha
