Dear Akansha, Kaustubh,

I hope this letter finds you well. I am writing to extend a heartfelt invitation to you and Kaustubh to visit and spend your upcoming vacations with us here in the United States. It would bring immense joy to host you here at our home in Centerton, USA and share the lovely experiences with you. We have planned to visit some famous tourist places like New York, Niagara Falls, Rocky Mountains, Grand Canyon and other incredible national parks and beaches here in US. It will also be a great opportunity for you to see and experience the American culture and lifestyle.

As you already know me, and my wife Deeksha are full time employed here with Tata Consultancy Services and are well settled here. I will be taking care of your entire USA tour expenses, including the round-trip airfare, food, housing, medical insurance and all your other personal expenses. During most of your visit, you will stay with me at my residential address listed below.

Herewith I am enclosing all the required documents for getting the necessary tourist visa from the US Consulate.

- Copy of my work visa (H1B) approval notice
- Copy of my passport, Copy of visa in passport
- Copy of I-94
- Employment Verification letter
- Proof of funds from my bank: Bank of America

Please consider the invitation with an open heart, and I look forward to the possibility of welcoming you to the US.
