Director

Sub: Provisional recognition to The Global Open University, Nagaland -Reg.

Dear Sir,

This has reference to your application to Distance Education Council requesting for recognition of The Global Open University, Dimapur, Nagaland.

Further to your request, the DEC had sent an expert committee to visit your institution and assess its preparedness to offer distance education programmes. Keeping in view the recommendations of the committee, the Chairman, DEC, is pleased to accord provisional recognition to your institution for offering programmes (approved by the statutory authority of the university) through distance mode for a period of one year from the date of issue of this letter.

You are also requested to comply with the committee recommendations mentioned below and intimate to DEC accordingly.

- The University should follow the self learning methodology in preparation of the courseware and should transform the existing material into SLM.
- The University should create the necessary systems and manuals for the conduct of the distance education programs keeping in view of North Eastern States geographic and topographic conditions.
- The University should create appropriate systems for orientation to the Distance Education Faculty, the Co-coordinators and Academic Counselors with the help of STRIDE, Indira Gandhi National Open University.
- The university should focus on specific academic programmes, consistent with availability of faculty and resource materials. It will be important for the university to cut down on the number of programmes and schools on offer.
- The programmes should be started and offered only after study materials are ready and infrastructure are in place to support the delivery of the programmes. Specifically, the university should not offer Ph.D. programmes at this stage of the development of the university.

Further, we would also like to inform that, it is the responsibility of the university to follow the norms prescribed by the concerned regulatory bodies or seek their recognition for professional/technical programme/s as per the requirements. Getting approval of concerned statutory apex body for relevant programme/s will be the sole responsibility of the university. The territorial jurisdiction for offering distance education would be as per the Acts and Statutes of your university.

With regards,

Sh. Imotemsu
Director
