What should the dealer converse with the customer ?

Dear Sir/Ma'am

We have a very special Insurance policy for your car. If at all you ever need to make a claim, repairs are done on cash-less basis - Surveyors do a fair and transparent assessment of claims and it is ensured that you do not shell out anything extra beyond what is defined by motor tariff and policy conditions. Great thing is that all Maruti dealers across the country offer you this benefit uniformly.

The policy is sold and serviced by Maruti Suzuki through its insurance arm "Maruti Suzuki Insurance Broking Pvt. Ltd.".

We strongly recommend and that you go for it - We are sending your contact details, requesting them to get in touch with you. You will shortly receive a call from them as per your preferred time you will mention in this CCRF. (Have the form signed)

Once this call is completed, your policy will be available to us for quick delivery of your car.

You will be receiving a call from 0891-4596600 or 0891-3050400. In case you miss the call, they will call you once again after 5 to 10 min.

You may tell them the Date of delivery which will also be the start date of your policy as xxxx.

You may inform me if you need any help for this insurance.
