I (Arun Mankotia) Passport No:N0898244 and (Renu Kashyap) Passport No.T5858795, and we are both New Zealand Resident visa holders, writing this letter to invite our dear friend Niharika Pandey and Ashutosh Kumar with their daughter to visit us in New Zealand. Niharika Pandey and Ashutosh Kumar have been close friends for 15 years and we always wanted to spend some family time together and meet their daughter. We are excited to host Niharika Pandey & Ashutosh Kumar at our house in New Zealand for 3 Weeks.

During Niharika Pandey & Ashutosh Kumar's stay ,we would like to take them to some of the most beautiful tourist destinations in New Zealand and show them the cultural richness and natural beauty of our country.

We can confirm that we both (Arun and Renu) will be taking the entire responsibility of them during the stay in New Zealand and they will be residing with us at the address mentioned above.

We request you to grant her a New Zealand visitor visa so that we can meet her.

Please do not hesitate to contact us on the above mentioned contact details.

Regards
