Dated-06.08.2019

**Sub:- Regarding correct data updation**

Sir,

Kindly refer to the email dated 01.08.2019 (Enclosed) of complainant Mr. Amit Tyagi, regarding wrong feeding of dates on CIS in respect of CNR number UPMZ020011822018 and UPMZ020033622017 of Muzaffarnagar Judgeship.

In this regard, I have been directed to request that necessary directions may kindly be issued to get the facts examined as to whether the wrong dates have been fed by the concerned Court staff in CIS. If the date of listing of Case fed in CIS is different than the date fixed in Case records, then the enquiry be conducted in the matter. It shall also be the subject matter of enquiry that the feeding of wrong dates in the said case is due to negligence or has been done deliberately.

Further, the Readers Diary and the Cause list generated by CIS for the period 15-27 July 2019 may be compared to identify as to whether such conduct of fixing wrong dates is being done in other Cases also. It may be ensured that the Readers diary of concerned Court is not tampered. The dates fixed in physical Case records may also be verified with CIS & readers diary in regard to the above period. Necessary assistance of System Officer may be taken in this regard.

It is requested that the enquiry report along with action taken in this regard be submitted by **16 August 2019** positively.

Further, all the Presiding Officers of the Court may be informed to ensure that the correct data is feeded/ updated in CIS.

It is humbly requested to ensure the compliance accordingly.

With regards.

Yours faithfully
