Subject:- Request for grant of Permission to sell Property.

Sir,

Respectfully submitted that, I am having a Plot measuring 200 Sq. Meters, bearing No. G-45 Ganganagar Meerut (U.P.), which is registered in the name of my wife Babita Singh. We intend to sell the said property, as it is becoming difficult to manage the same for security and unauthorised encroachment by others on the piece of land and would like to purchase the another property in the NCR Region of approximately the same value. The said property is the part of my property statement. The actual amount of sale proceed shall be communicated, after the execution of sale deed.

It is most respectfully prayed that the kind permission be granted to sell the said property.

My request may kindly be placed before Hon'ble Court.

With utmost Regards,
