Dear Akansha,

How are you doing? Hope all is well with you and everyone back home. I am doing well here in US and having a great time. I am all settled up here and have adjusted well.

As you know we are blessed with a baby girl recently in January 2020, it would be a pleasure to have you here in America with us for some time. I would like to invite you to come, visit and support us here in US for our new parenthood journey. I shared a lot on phone and video calls about our daughter Dhriti but we will need your help between July to September as Mom will be going back to India by then.

Now, regarding your expenses for the trip to America, you have nothing to worry. I will take care of all of them as Deeksha and I am earning well by working at a good company and have made enough saving for your visit. We will pay for all your expenses including round trip flight tickets fare - Lucknow to Bentonville, your domestic travel flight tickets here, your health insurance expenses, your food, your stay and all your personal expenses, including souvenirs for our family and friends back home. All you need to do is plan your vacations and packing.

During your entire trip, you will be staying with me at my apartment with address: 3101 SW Troon Lane, Apt #26, Bentonville, AR - 72713. I am sending you all the required documents: my US visa, I-94, pay slips, tax forms, proof of funds for you to apply for US visitor visa (B-2) at US Consulate in New Delhi. Good Luck with your interview!

Looking forward to your arrival to United States, Take care.

With love,

Your brother

Prashant Bajpai
