Subject: Request for registration and research paper presentation in Oxford Women's Leadership Symposium taking place in virtual mode on March 22 and 23, 2021

Respected Sir,

I wish to present my research paper in the prestigious Oxford Women's Leadership Symposium (Virtual Conference) 2021 which is to take place in virtual mode on March 22 and March 23, 2021. It would be a wonderful opportunity for me to further my vision and increase my knowledge thereby contributing immensely to the field of Judiciary. Further I assure you that it would not in any way affect my judicial work as the conference/symposium is taking place in a virtual mode. Hence it will not require my physical presence and I will have to be virtually available and that too outside court hours as the symposium starts at 8:30 pm IST(3:00 GMT).

I am hereby attaching my abstract which got selected for the coming Oxford Women's Leadership Symposium(Virtual Conference) 2021 for your kind perusal as well. I am yet to register and submit the full paper for the symposium.

I would be highly grateful of you for granting me the permission to register for the above symposium and present my paper in the same in virtual mode. It is therefore most humbly requested to sanction me the permission for the same.

Thanking you,

Date:22-02-2021

Sincerely Yours,

*Nagma Khan*
