Letter No.- 46 Pstc/

Dated: February 26, 2021

Subject:- Regarding permission to pursue the LL.M  
Course through Distance Learning from Kurukshetra  
University, Kurukshetra, Haryana for the upcoming  
session 2021-2022.

Respected Sir,

With reference to the above mentioned subject, it is humbly submitted that the undersigned joined the Higher Judicial Services in January 2011. I wish to pursue LL.M Course through Distance Learning from Kurukshetra University for the upcoming session 2021-2022 for upgradation of my legal knowledge and acumen. Pursuing the aforesaid Course would enhance my knowledge, professional acumen and competence. Pursuing the above course would also enhance my competence in dealing with Judicial/Administrative matters, thereby immensely helping me in the discharge of judicial duties. It is further submitted that pursuance of the course would not adversely hamper/affect my regular judicial work since there is no requirement of regular attendance of the classes. The said LL.M Course is recognised by University Grants Commission.

It is, therefore, most humbly requested that my request to pursue the LL.M Course from distance education may kindly be placed before the Hon'ble Court for sympathetic consideration and permission.

With regards,

Yours faithfully
