Subject:- Grant permission for admission/appearing in the LL.M First Year course through distance education conducted by Global Open University, Nagaland.

Sir,

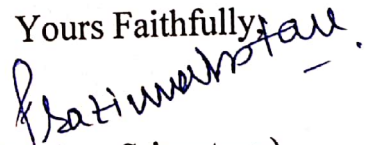

With reference to Hon'ble Court's Letter No. 8305/TV/3940/Admin/(A-4) dated 26-06-2019 on the above subject, I am submitting the following fact:-

- (A). That since it is a distance education course (L.L.M.) conducted by Global Open University, Nagaland so it is expected that the academic session can be of 2020-2021 & accordingly the university authorities will considered my admission. I want to do my course from Allahabad as the examination is conducted twice in a year in the second week of Month of June/December every year & at that time summer/winter vacation is in process.
- (B). That for pursuing higher studies & then to seek permission for study leave is concerned it is submitted that my admission in LL.M course is through distance education so the matter of study leave will not occur as per my opinion.

I, therefore request for permission to admission/appearing in the LL.M First Year course through distance education conducted by Global Open University, Nagaland & obliged.

Dated:

Yours Faithfully,
