Subject: **Intimation of property acquired by succession on mother's demise.**

Hon'ble Sir,

This is to bring to your kind notice that my deceased mother Saroj Tiwari had booked plot no. 0501-0-B/3/0139 in Ansal Hi-tech Township Sushant Golf City at Lucknow during her lifetime in the year 2007; keeping me as a one of the applicant. I was student at that time.

After demise of my mother on 26.03.2014 the rights in plot have devolved upon me through succession alongwith my father and sisters.

The sale deed of said plot has been executed in my name on 03.09.2020 under joint ownership of my father. The consideration and sale deed execution expenses of plot have been borne & paid by my mother when she was alive and thereafter by my father after the death of my mother Smt. Saroj Devi.

That immediately after registration of said plot I proceeded for maternity leave in emergent condition of labour pain on 14.09.2020 from 15.09.2020 to 14.03.2021 due to my pregnancy. Baby boy born on 15.09.2020.

Please take information on record.

Deepest regards

Yours' Sincerely

(Shraddha Tiwari)
