Respected Sir,

**Subject:- Application for obtaining certificate to pursue L.L.M. Course through distance learning program.**

I most humbly put before Your Goodself that I am posted as Additional Chief Judicial Magistrate (North East Railway), Bareilly City, Bareilly and that I wish to pursue the degree of Masters of Laws through distance learning from your esteemed institution where daily attendance of classes is not mandatory.

For this purpose, a certificate from your esteemed institution stating that the said L.L.M program is a distance learning program and I will not be required to attend classes on day to day basis for pursuing the same program and that the University and the said L.L.M programme is recognised by U.G.C is required.

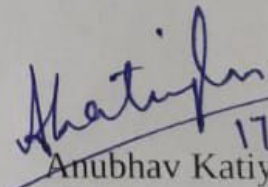

Therefore, I request Your Goodself that I may be granted a certificate from your office stating that I can pursue distance learning program of L.L.M from Kurukshetra University and that I will not be required to attend classes on day to day basis for pursuing the program and that the University and the said L.L.M programme is recognised by U.G.C.

An early response would be highly appreciated.

Soliciting your kind consideration and thanking you in anticipation.
