property, I had made all written communication regarding permission to purchase the property. 8 years have elapsed but I could not submit the sale deed as sought by the Honorable High Court. Hence I wish to cancel the unit and seek all financial adjustments. During my recent visit to Ansal APT I have brought all these facts to your knowledge. I have also visited the side site of Rishita Mulvori Heights situated at Ansal APT, Sushant Golf City DKO, in which I saw a flat at tower E-1 and have made up my mind to proceed further for purchase of the aforesaid flat.

Hence it is expected from you to adjust all the money + interest + other benefits advanced by me to Ansal APT in the property sought to be purchased by me at Rishita Mulvori Heights. It is also expected by you to make quick correspondence in this regard.
