

ADMISSION BROCHURE 2023-24

GAUTAM BUDDHA UNIVERSITY

Established by the Uttar Pradesh Gautam Buddha University Act 2002 UP Act No. 9 of 2002
Approved by UGC, Under Section 12-B & NAAC accredited

University School of Management

Dual Degree Programme BBA-MBA [with exit option after BBA]; B.Com. (Hons.); MBA (HRM/ Finance/ Marketing/Operations/Business Analytics); MBA Executive, M.Com. and Ph.D. (Management).

University School of Information and Communication Technology

B.Tech. (CSE, ECE, IT, Artificial Intelligence, Machine Learning, Data Science, Cyber Security; Integrated B.Tech.-M. Tech. (ECE/CSE) (Without exit and lateral entry options); BCA; M.Tech. (CSE, ECE); MCA (AI/ Data Science); M.Sc. (CS) (AI/Data Science); Ph.D. (CSE/ECE), Lateral Entry in B.Tech. (ECE/CSE/CSE (SF)/ AI/ IT); M.Tech. CSE (Weekend Program) and PG Diploma /Certificate

University School of Vocational Studies and Applied Sciences

B. Tech. (Food Processing and Technology); B.Sc. (Hons.) Physics/ Chemistry/ Mathematics/ Mathematics, Statistics, Economics; M.Sc. (Chemistry, Physics, Mathematics, Environmental Science and Food Science); M.Tech. (Food Processing and Technology); Ph.D. (Physics, Mathematics, Chemistry, Environmental Science) and PG Diploma.

University School of Engineering

B.Tech. (CE, ME, EE, ECE, EEE); B.Arch; B.Des. (Interior Design); Integrated B.Tech.-M.Tech. (EE) / MBA; M.Tech (Electrical Engineering); M.Tech. (Civil Engineering); M.Tech. (Mechanical Engineering); Master of Urban & Regional Planning (MURP), and Ph.D. (ME, EE, CE and Architecture & Planning); Lateral Entry in B.Tech. (CE, ME, EE). B.Tech (CE) [Weekend Programme]; M.Tech (CE) [Weekend Programme]

University School of Biotechnology

Integrated (B.Tech.-M.Tech. (Biotechnology)/ MBA) Programme (with no exit and without lateral entry options); B.Sc. (Hons.) (Biotechnology with Research); M.Tech. (Bio-technology); M.Sc. (Biotechnology); M.Sc. (Bio-informatics and Genomics); M.Sc. (Molecular Medicine); M.Sc. (Microbial Biotechnology) and Ph.D. (Biotechnology).

University School of Law, Justice and Governance

B.A. LL.B; LL.M. (One Year); Ph.D (Law); LL.M. (Two Year) [Weekend Programme]

University School of Buddhist Studies and Civilization

B.A. (Hons.) (Buddhist Studies); M.A. (Buddhist Studies); Ph.D (Buddhist Studies); Certificate; PG Diploma

University School of Humanities and Social Sciences

B.A. (Hons.) (English, Political Science, Hindi, Urdu, Economics, History); B.A./B.Sc. (Hons.) in Applied Psychology; B.A. in JMC; B.Ed.; B.A. B.Ed. /B.Sc. B.Ed./ B.Com. B.Ed.; M.A. (Economics; English; Hindi; Urdu; Political Science and International Relations; Education; History); MA/M.Sc. (Applied Psychology); Master of Social Work (MSW); M.A. in JMC; Bachelor of Social Work (BSW); M.Phil. (Clinical Psychology); Ph.D. (Political Science and International Relations) and (English) and PG Diploma.

From the Desk of Vice Chancellor

PROF. RAVINDRA KUMAR SINHA

Vice Chancellor

It gives me immense pleasure to bring out the Admission Brochure of University for the academic session 2023-24. The University has seen considerable growth in the past few years, with the introduction of new courses of study, new disciplines, and new initiatives taken for the larger benefit of students to help them grow academically and prepare them for a global society through curricular innovation and program development. In the age of globalization, Gautam Buddha University has set out to make its presence felt globally through internationalization of its various programmes and opening new avenues of association for international student community. Here, it is imperative to mention that University has adopted National Education Policy 2020 in principle and offering Undergraduate programme of 4 years B.A./B.Sc./B.Com. (H) with multiple exit options. In the same line, University is introducing new programmes B.A. B.Ed./ B.Sc. B.Ed./ B.Com. B.Ed.(under ITEP), M A (Hindu Studies), & M A (Linguistics) alongwith weekend programme for working professionals M. Tech. in Computer Science and Engineering, MBA (Executive), LLM, B.Tech (CE), and M.Tech (CE).

The University endeavors to employ, a variety of interventions to enhance employability of the passing out students through several skill development programmes. The overall thrust of the university is to enhance quality and innovativeness in teaching- learning and research, integrate our national ethos in teaching and make an effort to ingrain the ethics and values in the conduct and behavior of the students, passing out from this university.

The University has world class state-of-the-art infrastructure with IT facilities and well-found laboratories having advanced analytical instrumentation and computing facilities. The University promotes multi dimensional growth with emphasis on an integrated physical and intellectual training. The Eklavya Sports Complex in the University is spread over 47 acres with indoor and outdoor stadium of global standards, equipped with state-of-the art sports facilities for almost all popular games.

University is commencing its admission process with the announcement of offering 130+ programmes out of which 26 new programmes encompassing many new and sunrise disciplines of studies to the prospective students. Among these emerging sunrise field of studies, the University has included programmes in Artificial Intelligence, Machine Learning, Internet of Things, Cyber Security, Data Science, Railway Signaling & RAMS, Molecular Medicines, Genomics, Bio-informatics, Microbial Biotechnology, Buddhist Tourism and Heritage, Interior Design, Bio-medical Engineering, Electric Vehicles, Polyurethane Technology, Environment Management, Clinical Psychology, etc. All such programmes related with emerging sectors and sunrise technologies in synchrony with the essence of predominant Buddhist Ethical Practices would place India in the front rank of advanced nations.

I extend a warm welcome to all the prospective students, who look forward to an enriching campus experience and assure you a satisfying learning experience at Gautam Buddha University in Delhi NCR which will enable you to achieve your set goals in your future academic endeavours.

1.0 ABOUT THE UNIVERSITY

Gautam Buddha University was established under the Uttar Pradesh Gautam Buddha University Act, 2002 (U.P. Act No. (9) of 2002), and came into existence in the year 2008. The University is recognized by UGC under section 2(f) and 12-B of UGC Act, 1956 and is accredited by NAAC. The University envisions to integrate our National Ethos, Rich Heritage and the Ancient Wisdom with the education and research to invoke high standards of quality and innovativeness to be at par with international benchmarks. The University is a world class center for excellence in the field to Research and Academics.

VISION

“ A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.”

MISSION

- To generate a community of scholars who can manage continuity and change.
- To seek and incorporate the best practices in teaching and learning from around the world.
- To inculcate in the learners due appreciation for ethical, ecological and economic issues of knowledge.
- To provide knowledge based scientific solutions to satisfy the need of society and industry.
- To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

Gautam Buddha University has 455 acres of lush green campus with the built up area of 8,000,000 sq.ft at Greater Noida. The fully residential campus is modelled in line with the best institutions of higher learning across the globe. The design of the Gautam Buddha University is an integration of buildings, landscape, art, sculpture, and environment. The features of infrastructure such as natural lighting, ventilation, traditional elements like lattices, sunshades and domes, allows to establish a strong link with the natural environment. All these features complement each other and give a unique identity to the campus.

The University has a world class infrastructure in terms of its buildings of Eight Schools of studies with Auditorium and Conference facilities, Administrative Block, Central Library, University Auditorium with 3000 seating capacity, Sports Complexes, Health Care Centre, Hostels, International Convention Centre and a well equipped Guest House. Excellent internal roads, gardens, illuminated campus, state-of-the-art IT enabled class-rooms, laboratories and other amenities, well maintained hostel buildings make the University an incredible place for study.

A rich library facility with well stacked books, journals, magazines, separate reading and reference sections and modern e-resources with free-access to a large number of E-journals and E-books makes it a very significant source of learning. Mahamaya Shanti Sarovar, a beautiful water body spread over 1 lac sq. ft. area is in the midst of the Schools of the University. Entire campus is equipped with Wi-Fi facility of 1GBPS Internet Speed with 24 hours power backup.

The GBU Campus, situated in the Delhi NCR, is a thriving residential home to a community of creative and accomplished students from not only India but also from across the world. The campus is designed to provide an immersive learning experience to its students, both inside and outside the classroom. A fully residential campus is an ideal place for learning and self-discovery which ultimately helpful in nurturing the young minds in right directions. Here at the campus, students are encouraged to engage in intellectual debates, develop talents through various cultural club activities and entrepreneurial projects.

2.1 HOSTELS

There are 11 boys' and 7 girls' hostels. All Boys hostel and most girls hostels are single seater, some double occupancy rooms are available only for girl students. All hostel are allotted on a "First come first serve" basis. In case of non availability of room student may have to make self arrangements till such time vacancies are made in the hostels.

Hostels are equipped with facilities like internet, common rooms, separate T.V. room and visitor's rooms, table tennis, reading rooms, first aid facility, indoor games facility, gymnasium, badminton court, volleyball court, basketball court etc. The University also provides accommodation to full time Ph.D. Scholars at 1 BHK Married-Research Scholars Hostel (MRSH). For foreign national students, accommodations are available separately. All the hostels are supported by water heating systems which ensure supply of hot-water during winters.

2.2 CENTRAL COMPUTER CENTER (CCC)

The Central Computer Center is a central facility that caters to the computing needs of faculties, staffs and students. The facility operates 24x7 round the year. CCC is serving as the hub for computer related services on the campus. The computer centre is well equipped with advanced computers along with all the

necessary peripherals as well as requisite softwares. The Central Computer Centre has its own power backup.

- Linux/Windows desktops are provided in all class rooms of different schools labs for conducting E-learning and interactive lab sessions during classes. The CCC network backbone is on Fiber Optic, which connects the computer centre, Schools of Studies and administrative offices. The access network is structured UTP network using 10/100 Mbps switches. University has 1 Gbps bandwidth for Internet connectivity from National Knowledge Network (NKN)
- CCC provides easily accessible and excellent computational facilities to the faculty and students with over 870 computers catering to their academic, research and recreational requirements.
- CCC has excellent internet connectivity. The entire campus is connected with seamless wireless connectivity using Cisco AP's which is controlled by WLC (Wireless LAN Controller) Cisco 5508. Over 180 indoor AP's are installed to provide the connectivity to the various buildings including different schools of University.
- Web Security Gateways are installed for Malware

/Spyware/ virus detection at the gateway level.

- Windows Server update services are installed for Patch Management in the entire campus

2.3 BODHISATTVA DR. BHIM RAO AMBEDKAR PUSTAKALAYA (CENTRAL LIBRARY)

Bodhisattva Dr. Bhim Rao Ambedkar Pustakalaya (Central Library) is situated at the centre of the Gautam Buddha University Campus. The library building is a structural marvel designed with inspirational inputs from the Buddhist Traditions of Learning. It is tallest building in the campus and is a mark of tribute to the Buddha. The library spread in approx. 1.78 lacs sqft. having five storeys, which support the University's mission to contribute to society through its pursuit of education, learning and research at the highest levels of excellence.

The Central Library supports the University's mission to contribute to society through its pursuit of education, learning and research at the highest levels of excellence. It is the soul of academic and research activities of the University. It has huge volumes of books and e-journals which cover the disciplines of Management, Computer Science, Engineering, Information Technology, Biotechnology, Humanities, Social Sciences, Buddhist Studies and other related areas. The library is well- equipped with modern facilities, spacious stack halls, 2000-seating capacity reading hall, reference sections, catalogue area, multiple self supporting loaning counters, and is managed by professionals. The Central Library is a fully automated with libsys and RFID systems.

Library Resources

E-Resources: Library has subscribed various e-resources which covers various subjects in the field of Biochemistry, Genetics & Molecular Biology, Chemistry, Computer Science, Engineering, Environmental Science, Material Sciences, Mathematics and Social Sciences. In addition to these 1,00,000+ open access e-resources are linked with the University website to make it accessible to the users anytime anywhere.

DELNET Services: The Library is a member of DELNET. Inter Library Loan from other institution around the globe is available through DELNET.

Library Facilities and Services

The Library provides various value added services with special services to students for competitive exams.

- Current Awareness Services
- Xerox, Printout and Scanning facility
- Computer Lab for Students
- Smart ID Cards facilities for Students /Faculties/ Staffs
- Internet Services through wi-fi connectivity throughout the library and GBU Campus
- OPAC (Online Public Access Catalogue)
- Book Bank Services for Students
- Introduced new and updated services to the users by displaying on notice board or circular
- Property Counter with Lockers system

- Centralized generator set facility to ensure uninterrupted power supply
- Ramp and Lift Facility for differently-abled Students
- Self Check-in/ Check-out facility
- Access to Online Journals and Data base
- Inter Library loan
- Centralized Air Conditioner
- Plagiarism Detection Software

2.4 EXAMINATION CELL

The University has a well established examination cell to conduct examinations, to prepare results and to maintain all the academic records of the students. All programs of the University follow Choice Based Credit System (CBCS) and students are examined on semester basis.

The University follows a 10-point grading system. The system works as:

Maximum marks: 100; Minimum passing marks: 40

Letter Grade	Marks	Grade Point
O	91-100	10
A+	81-90	9
A	71-80	8
B+	61-70	7
B	51-60	6
C	41-50	5
P	40	4
F	<40	0
Ab	Absent	0
Inc	Detained due to low attendance	0

At University, students have to complete the programs in n+2 (n+3 for SC & ST students) years, where 'n' is the duration (number of year) of a particular program. To be promoted to next academic year, student must score a minimum 4.0 CGPA in two semesters of particular academic year.

2.5 PLANNING & RESEARCH CELL

The office of the Dean Planning & Research looks after various Research Projects which are being sponsored by different funding agencies like Department of Biotechnology (DBT), Indian Council of Medical Research (ICMR), Council of Scientific & Industrial Research (CSIR), Department of Science & Technology (DST), Indian Council of Social Science Research (ICSSR), Indian Council of Historical Research (ICHR), Indian Council of Philosophical Research (ICPR), etc. These projects of approximately Rs. 60000000 (Six crore) are ongoing at different stages of growth and development at various

Schools of the University. A number of Junior Research Fellow (JRF), Senior Research Fellow (SRF), Research Associate and Research Assistant (RA) and Principal Investigator (PI) under Women Scientist Scheme-DST are also working in different projects under the meticulous supervision and mentorship of our esteemed faculty members. We also encourage different other fellowships like Ramanujan Fellowship of Department of Science and Technology under the scheme for brilliant Indian Scientist and engineers from outside India to take up scientific research positions in India, those Indian Scientist/ Engineers who want to return to India from abroad.

The University has state of the art laboratories in all the Schools apart from well equipped Computer Centre. Apart from the above, registration for copyrights and patents are also been taken care of by this office. Various copyrights and patent have been granted and filed under patent law. A number of MoUs with different organizations have also been signed by the University.

2.6 NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) is a Central Sector Scheme of the Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands-on experience to young students in delivering community service. The University started community service under the NSS in 2015.

The GBU currently has three units of NSS. Each unit consists of 100 volunteers with two programme officers, male and female, in each unit. Various activities have been carried out under the scheme such as maintaining a green campus, campus cleaning drive, environmental sustainability, cloths distribution among needy people, the spread of awareness programmes on various social and political issues, plantation and adoption of plants, Sharmdaan, free eyes check-up camp for GBUites, visits in the adopted villages, health and road safety awareness campaigns through nukkad natak, and Swachhta Pakhwada, voter awareness programmes, various welfare drives for slums etc. Also, helps in the development of a sense of social and civil responsibilities among youth who will be the milestones of our nation tomorrow.

2.7 NATIONAL CADET CORPS (NCC)

The University encourages students to participate in National Cadet Corps (NCC) activities in order to educate them for "Unity and Discipline" which is the motto of NCC. The NCC cadets contribute towards social development by providing leadership, participating in community service, national and cultural integration, understanding the value of physical education with adventure training and promoting awareness through social programmes. Currently, the University has 1 girl (31 UP (Girls) Bn NCC, Greater Noida) platoon which enrolls 50 female students for Senior-Wing NCC training leading to 'B' and 'C' certificates. The University has also applied for permanent seats in NCC Senior-Wing (Boys) and is hopeful to get it soon.

2.8 SPORTS FACILITIES

The University promotes multi-dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Eklavya Sports Complex of the University is spread over approx. 47 acres with indoor and outdoor stadiums of global standard, equipped with state-of-the-art sports facilities. It is the hub of sports activities in the Universities.

Sports facilities designed to showcase top level competitions which are as follows:

- Indoor Stadium with Sports Facilities includes:
 - 01 Basketball Court
 - 08 Badminton Court
 - 06 Table-Tennis Tables
 - 01 Volleyball Court
- A 10M target Air Pistol Shooting Range
- National level Cricket Stadium with 650 sitting capacity pavilion with seven Practice Pitches.
- Gymnasium at Girls and Boys Hostels, Faculty Clubs & Residential area.
- Synthetic Basketball, Volleyball and Tennis courts with flood light facility
- ITTF approved Table-Tennis Tables at Girls and Boys Hostels.
- Olympic size Swimming Pool cum Diving Pool with sitting capacity of approx. 600 spectators.
- Hockey Astro-turf stadium with Pavilion of sitting capacity approx. 650 spectators.
- Synthetic Athletic cum Soccer stadium with Pavilion of sitting capacity approx. 650 spectators (Under Construction).

University has a good number of experienced coaches for Badminton, Basketball, Football, Volleyball, Cricket, and Table Tennis games, to provide guidance and training in concerned sports event 'Shauryotsav', the annual sports festival of the University aims at motivating students to participate and add physical extensions to their intellectual quests. University organised Shauryotsav every year in which almost all students (Boys and Girls) participate in approximately 100 different sports events.

2.9 CULTURAL COUNCIL

The Cultural Council promotes co-curricular and cultural activities among the students through its wide varieties of events throughout the year to inculcate the values of our ancient wisdom and cultural heritage. University focuses on the all-round development of its students hence to strike a balance between books, syllabus and curriculum, co-curricular activities are incorporated to enhance the creative.

Intellectual, moral, social and cultural development of the student.

Throughout the year various cultural events are organised by different clubs of the Cultural Council where students get the opportunity to develop and exhibit their skills and non-academic abilities. University's annual cultural event 'Abhivyanjana' intends to add wings to intellect, imagery, and creativity of our students. It aims at dissolving the cultural demarcations and facilitates a new school of thought where every student thinks beyond boundaries. It also gives a platform to the budding managers, team leaders and team players, testing their own abilities against all odds. The cultural council of the university consists of following clubs:

- Adventure Club
- Natures Club
- Audio Visual Education Club: **Pradarsh**
- Debating Society: **Drishtikon**
- Literary Club: **Arhant**
- Photography Club: **Pratibimb**
- Techno-Cultural Club
- Art Club
- Creativity Club
- Dance Club: **Jhanak/Jhankaar**
- Dramatics Club: **Dishyan**
- Music Club: **Swaranjali**
- Social Service Club
- Painting Club: **Chitrakala**

2.10 MAHATMA JYOTIBA PHULE DHYAN KENDRA (MEDITATION CENTRE)

Mahatama Jyotiba Phule Dhyan Kendra, popularly known as the Meditation Centre, is designed to visually tie the earth with the sky when viewed in the horizon. It is inspired by the Stupa architecture (a symbolism of Buddhist Stupa), is a learning and retreat centre which gives an experience of the power of peace and inner silence to the students of the University besides their regular curriculum. The centre aims to create a community around the pursuit of living a more mindful, reflective and skillful life. It focuses to develop the meditation skills of its members and foster discussion of matters of practical importance.

Personality trait and mindfulness are associated in a way to understand ourselves and those around us and

consequentially be able to demonstrate skills to respond to the society peacefully. These skills could be, for example, working with others, solving problems, decision making adapting to change etc.

The centre organizes seminars, lectures and experiential workshops on Buddhist meditation, positive values, stress free living and self management. It aims to help the residents of the campus, in recognizing their own inherent qualities and recollect their inner most potential. The meditation centre facilitates the experience of the inner self through silence. The purpose of meditation is the cultivation of positive states of mind, conducive to peace and well-being, and it helps overcome negative habits of minds. The course is a chance for the students to centre themselves with a calm mind and develop clarity of perception, a sense of healing and the ability to connect to an inner source of energy.

2.11 HEALTH CARE CENTRE

The multifarious medical needs of the Campus residents including students, faculty, staff members and their dependents are met by the University Dispensary. The Dispensary is equipped with a team of full time and visiting Medical professionals co-ordinated by Nursing Supervisor. Patients registered at the reception are served on first come first serve basis, however out of turn consultation is provided in case of emergency and for senior citizens. In OPD, clinical consultation is provided to the patients which also includes taking patients clinical history, clinical examination, diagnosis, henceforth diagnosis and prescription are provided to patients and laboratory test suggested, if required. OPD facility has a waiting hall with chairs, public utilities like drinking water and toilets. Sub waiting areas are available in front of individual consultation rooms. Wheel Chairs and attendants are there to help sick patients. Other facilities include Ward/Indoor facility, Minor OT, Physiotherapy, Laboratory services, ECG services, Pharmacy, 24x7 Ambulance services.

HEALTH CARE EVENTS

- Annually organizing free health check-up camp, yoga camp etc. for University students/residents by Dispensary in collaboration with leading hospitals of Delhi/NCR.
- Annually organizing voluntary blood donation camp by dispensary in association with Red Cross society and leading blood banks.
- Providing Health education for visiting patients in Dispensary by medical professionals.

2.12 STUDENTS SUPPORT AND PROGRESSION

Each school of the University has an efficient and competent system for student support and mentoring to provide academic, career and psychological counseling to the students. Students are supported through mentoring in academic, sports and cultural activities. They are guided to develop their personality and soft- skills. They are counselled to develop professional competitiveness as well as ethics, human

values, sense of social responsibility and environmental consciousness. Students are encouraged to participate in activities for social and community services. The University is very sensitive to the issues of gender equality and has 'Gender-Sensitive Policy'. Students are encouraged to maintain gender-discrimination free environment. Street plays/Skits related to such issues are enacted in the campus on various occasions by the students of various cultural groups. Debates/Talks are organized for encouraging students to make campus a safe place for every student irrespective of gender and culture. The University also has a zero tolerance policy for issues related to sexual harassment.

2.13 FACILITIES FOR DIFFERENTLY - ABLED PERSONS (DIVYANG)

With special consideration for differently-abled persons, the University has provision as per UP State reservation policy. For 'Barrier Free Access' the University has constructed ramps at all Schools/ Departments, administrative building, central library, hostels and shopping complex. There is a facility of lifts in all the Schools, administrative building, and central library with separate wash room facility in all the School buildings.

2.14 TRANSPORT FACILITY

GBU is a residential campus for students, faculty and staff. There is availability of University bus service to provide need based transport facility for educational tours, seminars and conferences etc. The roads layout plan in entire campus is in circulation system which keeps the complete vehicular movement restricted to the periphery of the campus allowing for a completely pedestrian-friendly environment. Separate tracks for cycles have been provided to move safely from one place to the other.

2.15 OTHER AMENITIES

- A shopping complex comprising of 21 shops which houses eatable, grocery, drycleaner, stationery shops etc.
- A branch of Punjab National Bank and 2 ATMs of IDBI & Punjab National Bank.
- Ample number of Cafeterias operational in the campus.

2.16 PLACEMENTS AND EMPLOYABILITY ENHANCEMENT : The Core Strength of University

University relentlessly Works for Placement and employability enhancement of students under the aegis of Corporate Relations Cell (CRC).

Training & Placement: The Corporate Relations Cell (CRC) provides 100% placement assistance to all students of GBU, it acts as the career guidance cell. Following are the activities which fall under the ambit of CRC: conducting Trainings and providing summer & final Placement assistance and maintaining Corporate Liaison. It is the primary Industry Interface for the students with the outside world and vice-versa. Apart

from this the Corporate Relations Cell infuses the spirit of Entrepreneurship through its Incubation Center with beneficial tie-ups with angel investors. This incubator houses the dreams of young entrepreneurs. CRC also conducts Mega Job fairs to invite the best available opportunities for the students of Gautam Buddha University.

Mukhyamantri Abhyudaya Yojna Centre: Abhyudaya Yojna is a free scheme for economically weaker students for the Civil Services and other competitive exams aspirants. The platform has more than 500 IAS officers, more than 450 IPS officers, more than 300 IFS officers and experts in various disciplines, which provide training to the aspirants of civil services and other competitive examination through live classes and virtual medium.

Career Counseling lies at the core of CRC's focus. It is imperative to steer the young minds at all times, so

as to enable them to achieve their target careers in the most efficient and effective way. Hence, CRC helps students understand how best they can utilize classroom coursework training and apply it in the real world.

Entrepreneurship and Incubation: In its regular effort to equip students with the right skills and tools, CRC runs an Incubation Center which works like an accelerator for young entrepreneurs. From bootstrapping to technical trainings, and from mentorships to financial and technical aid, CRC is the one place where a student can find any or everything they need. The incubation center is one of its kind that helps & propagate entrepreneurship, which in turn addresses issues like Local area development, Niche sector growth, Employment generation and Economic growth.

and Job Seekers. This fair has been provided opportunities to 150+ Employers and 10,000+ Job Seeker with 1000s success stories.

2.17 INTERNATIONAL STUDENTS

International Affairs Cell* at Gautam Buddha University offers a very cordial welcome to the International students wishing to join different programmes of the University for higher studies. We are a nation whose core ethos recognizes divinity in each and every guest, who lands in India. To enforce it properly, the University has created a separate entity to look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The International Affairs Office advises students on the matters related to application, admission, fees, arrival services and orientation. It also offers an ongoing support and after arrival advice.

The International Students' Office is responsible to provide all necessary help to International students regarding:

- Annually organizing voluntary blood donation camp by dispensary in association with Red Cross society and leading blood banks.
- How to choose course of study
- How to fill in the application form for admission
- Course information
- Whether your academic qualifications are suitable/ fulfilling the eligibility criteria
- English Remedial Programme
- Orientation
- Visa formalities
- Accommodation/Hostels
- Fees and any other issues

The Centre coordinates with ICCR, Ministry of External Affairs, different embassies, consulates Study in India

Programme and Direct Admission of Student Aboard (DASA) University admits students under various government schemes for foreign nationals, PIO, NRIs etc. through their respective online portals as well for various purposes including the scholarships on behalf of the students.

The University model for Internationalization of Higher Education has the following unique features:

- Single Window
- Networking
- Interfacing
- Wireless connectivity
- Interaction
- Multi/Interdisciplinary
- Competitive and Affordable

The University has a large number of International students for not only Under-graduate and Post Graduate courses, but also for Research Programs viz. M. Phil. and Ph.D. programs. In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belong to following countries:

Vietnam	Cambodia	Afghanistan
South Korea	Thailand	USA
China	Yemen	Canada
Myanmar	Nepal	Suriname
Mongolia	Lao PDR	Bangladesh
Taiwan	Bhutan	Sri Lanka

3.0 SCHOOLS OF STUDIES AND CENTRES

- University School of Management (USOM)
- University School of Information and Communication Technology (USOICT)
- University School of Biotechnology (USOBT)
- University School of Engineering (USOE)
- University School of Vocational Studies and Applied Sciences (USOVAS)
- University School of Humanities and Social Sciences (USOHSS)
- University School of Buddhist Studies and Civilization (USOBSC)
- University School of Law, Justice & Governance (USOLJG)
- Centres of Excellence

Each School of Studies in the University combines a

learning as it may deem fit; to make special provisions for various courses in Management, Engineering, Biotechnology and Information & Communication Technology (ICT) in its educational programmes; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train the manpower for the development of the country and to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development. The academic programmes offered by the University are recognized by UGC and by various regulatory bodies / statutory Councils,

Recognized by University Grants Commission of India (UGC): GBU is recognized by UGC vide ref. no. F.9-18/2009 (CRP-I) dated 13th May 2009 and F.No. 9-18/2009 (CPP-I/PU) dated 17th Feb., 2018 under section 2(f) & 12(B) of UGC Act 1956.

Rehabilitation Council of India (RCI): The Department of Psychology & Mental Health in School of Humanities & Social Sciences offers programme accredited by Rehabilitation Council of India (RCI).

Association of Indian Universities Membership: GBU is member of AIU vide ref. No.: Meet/84-am/2009/289/39-73

Council of Architecture (CoA), India: The Department of Architecture & Planning in School of Engineering offers Five-Year Degree Programme (B. Arch.) in Architecture accredited by the Council of Architecture (CoA), India.

Bar Council of India (BCI): The School of Law, Justice & Governance (SoLJ&G) offers a five years Integrated BA. LL.B. programme accredited by Bar Council of India (BCI).

National Council for Teacher Education, India (NCTE): The Department of Education & Training in School of Humanities & Social Sciences offers Two-Year B.Ed., B.A. B.Ed., B.Sc. B.Ed. Programme accredited by NCTE.

National Assessment and Accreditation Council (NAAC): University NAAC accredited with B+ Grade.

AICTE Approved Ref. :
F.No. Northern/2022-23/1-11346006821

multilateral confluence of academic training, research, innovation and creativity. These Schools are embodiments of the University's ever growing quest for excellence in higher education and research. All the Schools encompass modern fields of studies, technological exposure and a meaningful dissemination of knowledge coupled with practicing wisdom. The uniqueness of the University is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society.

The Schools of Studies have been established with the objective to disseminate knowledge by providing instructional and research facilities in such branches of

whichever are applicable in individual cases, viz.

Teaching Pedagogy

The traditional form of teaching in a University often involves lectures being given to large groups of students, accompanied by tutorials and workshops, with some independent study. However, there are several other modes of delivery that can also be very effective such as the flipped classroom and problem based learning. The teaching pedagogy implemented at the University is designed to give an overview of various methods of teaching and learning process for the better understanding of the students which are:

- Conventional Lecture-mode, however, the

- University promotes small group teaching to make lectures productive and engaging
- Demos in practical classes for effective engagements of students.
- Flipped classroom approach by asking learners to watch video content before the class session, and devote in-class time to exercises, projects and discussions.
- Active learning to explore teaching and learning methods that put the student in charge of their own learning to work together to support each other's learning.
- Blended learning where traditional classroom teaching combined with online learning and independent study.

Emerging as Centre of Excellence

The University, through its various academic activities and innovative pedagogies, is emerging as a centre of excellence. Our growing number of research projects, publications and meaningful interventions are testimony of our claim. It has been gaining steady progress in attracting talent pool from both national and international community. Our untiring efforts to engage industry and incorporate required skill sets in our curriculum have started yielding results in developing various incubators and development centers in major sunrise sectors. There are a few core areas that the University places major thrust on, such as:

- University is emerging as a base for researching, experimenting, testing and delivering.
- Launching programmes in AI, Data Science, Block Chain, IoT and Cyber Security etc. allows us to take the first step towards integrating these technologies by building applications that can be used in businesses or end users for the larger benefit of the society.
- AI applications driven business objectives, build strong capabilities in other emerging technologies and deploy these applications.

University is focussing on research on various areas such as social sciences, human resource

development, biosciences, energy and environment, physical sciences, Buddhist studies and its application in present world scenario, etc. with the aim of high-quality publications in journals and filling of patents of inventions. The University places major thrust on the application of computational biology, systems biology, structural biology and bioinformatics, molecular design, molecular modelling, structural pharmacology, and computational immunology. In addition, the University also focuses on genomics, Molecular Science, etc

3.1 UNIVERSITY SCHOOL OF MANAGEMENT (USOM)

The School has leveraged the flexibility in the curriculum design to mould it according to the fast changing regional and global scenario. It has been offering some unique courses under various programmes, which has been quite popular among students and industry. The Dual Degree Programme BBA-MBA [with exit option after BBA] makes possible to cater pool of electives in the areas of Finance, Marketing, HR, Business Analytics etc. along with summer training opportunities research projects, corporate exposure. The School has state of the art classrooms equipped with computing and multimedia facilities and supported by an extensive central library which includes books, journals, e-databases.

The curriculum of all its academic programs is regularly upgraded to match corporate need. The School offers Two Year MBA Programme with specialization in HRM, Marketing, Finance, Operations, Information Technology and Strategy and Business Analytics etc. MBA Executive is a management programme for working professional in dignified position. This course is exclusively meant for the experienced people, who wish to upgrade their skills in their field of work or industry. Further, USOM promotes diversity in MBA Programme by inducting students in the same from across various Schools of the University, thus encouraging multi disciplinary learning.

Laboratories:

Computer Labs, Professional, Development Lab & Communication Lab, SPSS Lab etc.

PROGRAMMES OFFERED AT USOM				
Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection
Code	Name			
UNDER GRADUATE				
UMG01	Dual Degree BBA-MBA [with exit option after BBA]	10+2 in any stream securing minimum 50% marks (45% for SC/ST) or equivalent grade.	(60 Seats) 5 Years (10-Semester)	Direct admission based on merit in qualifying examination
UMG02	B.Com. (Hons.) Bachelor of Commerce (Hons.)		(60 Seats) (Duration and exit option as per NEP 2020)	

PROGRAMMES OFFERED AT USOM

Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	Subjects - [Percentage weightage]
Code	Name				
POST GRADUATE					
PMG01	MBA Master of Business Administration Specializations: * <ul style="list-style-type: none"> ● Human Resource Management ● Finance ● Marketing ● Operations ● Business Analytics 	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	(60 Seats) 2 Years (4-Semesters)	GBU-ET 2023	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
PMG02	M.Com. Master of Commerce	B. Com. (Hons), B. Com. pass securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	(40 Seats) 2 Years (4-Semesters)	Direct admission based on merit in qualifying examination	
PMG03	MBA Master of Business Administration [Executive]	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	(40 Seats) 2 Years (4-Semesters)	Direct admission based on merit in qualifying examination	
DOCTORAL					
RMG01	Ph.D. Doctor of Philosophy (Management)	Master's Degree in Management or relevant discipline with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer)/Differently abled) or its equivalent grade.	For Area wise availability of seats refer University's website	GBU-ET 2023	Research Methodology - [50] Subject Awareness - [50]
ADMISSION THROUGH VALID TEST SCORES					
PMG01	MBA Master of Business Administration Specializations: * <ul style="list-style-type: none"> ● Human Resource Management ● Finance ● Marketing ● Operations ● Business Analytics 	Same as above	Valid CAT/MAT/GMAT/CMAT/XAT Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant after GBU-ET 2023)		

* (To be offered based on minimum no. of students opting)

3.2 UNIVERSITY SCHOOL OF INFORMATION AND COMMUNICATION TECHNOLOGY (USOICT)

University School of Information and Communication Technology (USOICT) was established in 2009. It has five departments; Computer Science and Engineering, Electronics and Communication Engineering, Information Technology, Artificial Intelligence & 4IR and Computer Science & Applications. The school of ICT has the history of producing skilled doctorate, postgraduate and undergraduate professionals in the emerging areas of Information and Communication Technology (ICT). The University School of Information and Communication Technology has been progressing towards excellence in the field of technical education and research. The School aims to produce competent professionals having strong sense of social responsibilities and to become a hub of research and development activities of national and international recognition. The academic programmes are designed in line with the best Universities around the world. The

School combines the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning.

Laboratories

The School combines the best practices of pedagogy and class room teaching, complemented by Computer Lab-1, Computer Lab-2, Computer Lab-3 (Windows Operating Systems), Computer Vision Lab Basic Electronics Laboratory, Electronic Circuits Lab, Logic Design Lab, Artificial Robotics Technologies Lab, Optical Communication Lab, Analog Communication Lab, VLSI Design Lab, DSP Lab, Microprocessor and interfacing Lab, Microwave & Antenna Lab, Electronics Workshop, Computer Networking Lab, Expert System Lab, Multimedia Technology Lab, Parallel Processing Lab, Advance Digital Communication Lab, Research and Projects Lab, Open Source Software Lab, Embedded System Lab, Image Processing Lab and training and experiential learning.

UIE01, LIE01, UIC01	All B.Tech. Bachelor of Technology/ Integrated B.Tech.-M.Tech.	Same as above	Valid JEE Mains Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant after GBU-ET 2023.)
PIC01, PIC02, PIC03	All M.Tech. Master of Technology		Valid GATE Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant.)

3.3 UNIVERSITY SCHOOL OF BIOTECHNOLOGY (USOBT)

The objective of the University School of Biotechnology (USOBT) is to generate high quality professionals and researchers by offering various academic programmes in Biotechnology and to develop a premier biotechnology teaching and research department catering the needs and challenges of the region and the country. The School's vision is to provide quality teaching with a strong core science concepts and an application oriented undergraduate and post-graduate education along with solid foundation in the rapidly expanding fields of biotechnology that enable them to produce high quality professionals. Our goal is to provide students with a sound knowledge and understanding of current theories, concepts and laboratory practices in Biotechnology, such as molecular biology, biochemistry, microbiology, immunology, genetics and cell biology, which are in turn linked to practical disciplines like chemical engineering, physics, and information technology. The School is dedicated to provide quality service through teamwork, partnerships and developing research spirit for the professional strength of community and individual. The teachers are available to the students for academic as well as personal counseling. The School has been encouraging the students to independently think as well as implement research ideas.

A breathtaking diversity of the unicellular and the multicellular life forms offers fascinating research opportunity in Biotechnology. The school of Biotechnology at GBU is engaged in cutting age research and teaching in diverse in area of Biotechnology. The school is an active center of basic

and applied research. The faculty members of the School can clearly be distinguished in terms of proven academic engagement, and diverse the ground. School of Biotechnology faculty members are alumni of various prestigious universities/institutes such as AIIMS, JNU, DU, ICGEB, ICAR etc. Department is involved in research areas such as diseases Diagnostics, Cancer Biology, Genomics and Genome Engineering, Crops improvements, tissue culture, structure based drug design, development of novel antibiotic, Three dimensional structure determination of Enzymes and proteins, production of enzymes for diagnostics and industrial applications etc. The School has also earned reputed DST–FIST grant for infrastructure improvements from the ministry of S&T, Government of India. Faculty of School of Biotechnology have also acquired extramural research grants of more than 13 crores from various government agencies such as ICMR, DBT, BIRAC, DST and CSIR etc.

The School of Biotechnology has organized a number of Seminars, Conferences, Workshops and Awareness Programmes through regular lectures by the Expert Faculty and the eminent Guest Lecturers. The department is well equipped with all the necessary instruments and number of research facilities.

Laboratories

Apart from basic laboratories the School has state-of-the-art research facilities and laboratories including advanced Plant and Animal Tissue Culture Lab, Molecular Biology Lab, Microbiology Lab, Bioprocess and Fermentation Lab, Genomics & Proteomics lab, Environmental Biotechnology Lab, Advanced Central Instrumentation Facility and Bioinformatics Lab for UG/PG/PhD students.

3.4 UNIVERSITY SCHOOL OF ENGINEERING (USOE)

The University School of Engineering (USOE) has earned recognition for its commitment to excellence from its inception. The School is enriched by Civil Engineering, Electrical Engineering, Mechanical Engineering and Architecture & Regional Planning departments. The School has experienced faculty helping the students to develop technical expertise but also guiding them for various event and workshops that require self-commitment, problem-solving skills, field trips and internships. The School has upheld commitment to the liberal skills and aptitudes in all their breadth and depth to encourage students to expand their talents and skills not only in technical education but also in career enhancement and personality building too. The School also offers numerous leadership opportunities with various technical and professional augmentation establishments viz. the SAE-GBU Collegiate club, GBU- IEEE Student Chapter, CEAS-GBU. A strong technical core forms the foundation for a wealth of Bachelor, Master and Doctoral degree programs offered through USOE. The School is enriched by Electrical Engineering Department, Civil Engineering Department, Mechanical Engineering Department and Architecture and Regional Planning Departments.

Laboratories

Civil Engineering Labs: Material Testing, Concrete, CAD, Structural Analysis, Transportation, Soil, Mechanics, Environmental Engineering, Advanced Environmental Engineering, Surveying, Engineering Graphics, Building Design & Drawing, Design, Remote Sensing & GIS, and Hydraulics.

Electrical Engineering Labs: Basic Electrical Engineering, Electrical Machine, Simulation (Python and MATLAB/ Simulink), Power System, Switchgear and Protection, Measurement and Instrumentation, Network, Power Electronics Electric Drives, Control System, Bio-medical and Virtual Instrumentation, Digital and Non-Linear Control, Distribution Network, Power System Simulation, Advance Electric Drives, Power Converter and Simulation, Advance Instrumentation and Control.

Mechanical Engineering Labs: Engineering Workshop, Fluid Mechanics, Fluid Machines, Automobile, Dynamics of Machine, Manufacturing, Refrigeration and Air conditioning, Vibration, Advance Thermal IC Engine. Upcoming Labs: Meteorology and instrumentation Lab, Advanced Manufacturing Lab – I & II.

Architecture & Planning Labs: Model Making, Building Material, Eco-Design, Auto Cad, Construction yard, Art Court, Climatology, Photography, Labs shared with Civil – Survey, GIS & Remote sensing.

3.5 UNIVERSITY SCHOOL OF VOCATIONAL STUDIES AND APPLIED SCIENCES (USOVAS)

The University School of Vocational Studies and Applied Sciences (USOVAS) comprises of primary disciplines of Physics, Chemistry and Mathematics along with two interdisciplinary subjects, viz., Environmental Science, and Food Processing & Technology. All academic programmes of the School lay emphasis on the integration of the existing theoretical knowledge with practical applications. Through its academic and research staff, the School possesses a huge depth and breadth of scientific & technological knowledge. The School offers core courses in Physical, Chemical and Mathematical Sciences to undergraduate students of all branches of Engineering, Biotechnology and Information & Communication Technology. The Course "Environmental Science" is offered to all Undergraduate students of all streams of education as "Ability Enhancement Compulsory Course". The School has been successfully conducting doctoral/postgraduate programmes in Physics, Chemistry, Mathematics, Food Processing & Technology, Food Science, and Environmental Science since 2011-12. The School going to start its undergraduate programme, B.Sc. in (Mathematics, Statistics, Economics) from the academic session

2023-24, B.Sc. (Hons) in Physics, Chemistry and Mathematics from academic session 2019-20, and P.G. Diploma programmes from academic session 2022-23. These programmes of the School support specialized interdisciplinary fields of teaching, research and industry engagement in polymer chemistry, green chemistry, pharmaceutical chemistry, environmental science, food technology, photonics & optoelectronics, semiconductor optoelectronics devices, plasmonics, thin films, nanotechnology, computational fluid dynamics, operations research, functional differential equations; cryptography, number theory and mathematical problems in extreme weather events. The School has been very active in conducting workshops and organizing national and international conferences and seminars, and has well acknowledged research profile.

Laboratories

Apart from basic laboratories for undergraduate Engineering and Science students, the School has advanced practical and computational laboratories in various disciplines for postgraduate /doctoral students. These are Physics Labs, Chemistry Labs and Mathematics Computer Labs, Environmental Science Labs and Food Processing & Technology Labs.

DVS05	PGDMMEA Post Graduate Diploma (Mathematical Methods for Environmental Applications) [Full Time]	B.Sc./B.Sc. (Hons) from a recognized University/College, with 50% marks (45% for SC/ST), and Mathematics as a compulsory subject in the qualifying examination	(10 Seats) 1 Year (2-Semesters)		
DVS06	PGDFSQM Post Graduate Diploma (Food Safety and Quality Management) [Full Time]	Bachelor's degree in Science with Chemistry/ Bio-chemistry/ Biotechnology Microbiology/ Life Science OR Bachelor's degree in allied Sciences like Agriculture/ Food Science and Technology/ Food and Nutrition/ Post Harvest Technology/ Home Science/ Life Science /Horticulture/ Dairy Technology/ Veterinary Science/ Fisheries/Hotel Management and Catering/ Hospitality Management.	(15 Seats) 1 Year (2-Semesters)		
DVS07	PGDFST Post Graduate Diploma (Food Science and Technology) [Full Time]	Bachelor's degree in Arts with 3 years experience in Food Processing/ Food quality Control/ Hotel Management (Food Preparation/Food Catering).	(15 Seats) 1 Year (2-Semesters)		

3.6 UNIVERSITY SCHOOL OF HUMANITIES AND SOCIAL SCIENCES (USOHSS)

The University School of Humanities and Social Sciences (USOHSS) is interdisciplinary in approach. It plays the pivotal role of exposing the students to an environment that is conducive to develop understanding of contemporary social issues through inter-relationship of science, technology and management. The School has a unique and distinctive role of hosting creative educational programmes that focus on creating holistic understanding of complexities of life in social context with emphasis on Indian cultural values. The School is committed to provide an interdisciplinary and integrative pedagogical interface to learners so as to nurture them into competent human beings. The academic programmes, designed in line with the best Universities around the world, combine the best

practices of pedagogy and class room teaching, complemented by practical training and experiential learning. The School encourages research and focuses on providing its students an atmosphere for rigorous academic and intellectual development. The School has competent faculty members who keep pace with the current developments in teaching & research.

Laboratories

- **Clinical Psychology Laboratory & OPD Services:** Mental Health Clinic, Child and Adolescent Clinic, Neuropsychological Clinic, Mental Retardation and Development Pathology Clinic, De-addiction Clinic and Psychosexual Clinic, on specific week-days.
- Social Work Practice Learning Lab, Psychology Lab, Social Science Lab, ICT Lab, Curriculum Lab.

3.7 UNIVERSITY SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION (USOBSC)

The University School of Buddhist Studies and Civilization (USOBSC) has been set up with a vision to produce the erudite scholars and distinguished researchers in the field of Buddhist Studies in order to develop and cater their knowledge to serve the humanity. The School adopts interdisciplinary and multidimensional approaches with the help of other sciences and social sciences like Archaeology, History, and Philosophy etc. for producing scientific researches. The School is well supported by talented and innovative faculty members, who are striving hard to establish the School as an institution of repute with their pioneer researches, conference participations, and academic endeavours and able to encourage scientific inquiry and inquisitiveness among the students as well as academicians. It would facilitate acquisition of specialized knowledge in Buddhist History, Philosophy, and Literature existing in Pali, Sanskrit, Chinese, Burmese, Sinhalese and Tibetan languages and their literature. With a very rich library, a

grand meditation centre, a serene campus, the School promises a very productive academic engagement and practice of Buddhist techniques of Vipassana meditation under qualified supervision. In addition to the above, the School provides an ideal forum for cross-cultural and international dialogues, with regular sessions with scholars, conventions, symposia, seminars, conferences, lecture series, etc. It is open to academic collaborations, joint research programmes and faculty & student exchange programmes with academic institutions of repute dedicated to Buddhist Studies. In these programmes not only Indian but foreign students are also enrolled. School is running compulsory courses of "Human Values & Buddhist Ethics" and "Buddhist Moral Values and Contemporary Society" for UG and PG programmes respectively. The School has MoU with Dhammachai International Research Institute, based in New ecogni, MoU with MIMC, Leh, and many more MoUs with institutions of repute in South Korea, Taiwan, Vietnam, Myanmar, Thailand, Sri Lanka etc. are in progress and will take their final shape in near future.

DBS02	PG Diploma (Buddhist Tourism and Heritage) [Part-Time]				
CBS01	Certificate Course (Pali Language and Literature) [Part-Time]	10+2 in any discipline securing minimum 45% marks in aggregate (40% marks for SC/ST) or equivalent grade.	(10 Seats) 1/2 Year (1-Semester)		

3.8 UNIVERSITY SCHOOL OF LAW, JUSTICE & GOVERNANCE (USOLJG)

University School of Law, Justice and Governance, being integral part of Gautam Buddha University, has been operational since 2011 with its core objective to promote teaching, learning, research and innovation in the fields of law and governance. In pursuit of its objective, the School is running three programmes in the Department of Law, Justice and Governance: Integrated five year B.A. LL.B. at graduation level; LL.M. at Post Graduation level; and Ph.D. in the diverse fields of Law. The ongoing B.A. LL.B programme of the School attempts to strike a balance between the compulsory subjects prescribed by the Bar Council of India (BCI) along with the subjects enhancing their employability skills, and also increases their prospects in legal field.

Moreover, the School aims to set a balance between the theoretical knowledge with practical learning and development of skills and professional attitude through clinical legal education. The students are guided to participate in moot- court practice, debate, essay writing and project work to instill in them the confidence to take up the challenges of their future career more prolifically and proficiently. The Post Graduate LL.M. programme, which started in 2017, is directed towards more advanced legal studies by following directives of the University Grant Commission (UGC) and necessity of promoting high standard disciplinary knowledge among students. Considering the demand of the

students and to stop best legal minds to go abroad for pursuing similar programme, the department has started one year LL.M programme in 2019.

Without research and innovation no centre of learning can attain excellence; and therefore, the School envisages endorsing high quality research in the multi disciplinary fields of law. The Ph.D. programme of the School vigorously takes up this noble objective. PG Diploma in Economic and Business laws to provide stakeholders, a deep understanding of how the law and legal decisions may affect the economy. The School currently employs highly motivated and dedicated full-time academicians, who have doctoral degrees in various fields of Law, Social Sciences and Humanities from different nationally and internationally reputed universities/institutions.

The Computer Lab: A computer lab at the School has been set up to have an access to the online journals (155), including AIR, SCC online web edition Platinum Plus with Heinonline etc.

Moot-Court: The School has moot-court facility to provide a practical experience to the students.

School Library: The School under BCI guidelines has set up its own library with access to online and offline (hard- bound) study materials.

The Legal Aid Centre: The School under BCI mandate has set up the Legal Aid Centre to provide free legal aid to the marginalized section of the society in collaboration with District Legal Service Authority.

PROGRAMMES OFFERED AT USOLJG

Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	Subjects - [Percentage weightage]
Code	Name				
UNDER GRADUATE					
ULJ01	B.A. LL.B.	<p>The Candidate who has successfully completed 10+2 in any stream from School/ College with securing minimum 45% marks for Gen, 42% for OBC (Non-creamy layer), (40% for SC/ST) or equivalent grade and as per BCI rules. The Candidates awaiting results of the qualifying examination can appear for the test on the condition that they produce proof of having passed the qualifying examination with the prescribed marks before or at the time of counseling.</p> <p>*The 3 year diploma/ polytechnic course issued by an institution recognized by the Government shall be considered at par with +2 certificate for the purpose of admission to the 5 year integrated LL.B. Degree Course.</p>	(120 Seats) 5 Years (10-Semesters)	GBU-ET 2023	General English - [25] General Awareness - [25] Reasoning and quantitative Aptitude - [25] Legal Aptitude -[25]
POST GRADUATE					
PLJ01	LL.M. (1 Year)	<p>The Candidate should have passed the Law Degree or an equivalent degree from a recognized University by UGC with not less than 50% marks in aggregate (45% in case of SC/ST candidates of UP). The Candidates awaiting results of the qualifying examination can appear for the test on the condition that they produce proof of having passed the qualifying examination with the prescribed marks before or at the time of counseling.</p>	(20 Seats) 1 Year (2-Semesters)	GBU-ET 2023	English Proficiency - [15] Teaching/Research Aptitude - [15] Subject Awareness - [70]
PLJ02	LL.M. (2 Year) [Working Professional]		(30 Seats) 2 Year (4-Semesters)		
DOCTORAL					
RLJ01	Ph.D. Doctor of Philosophy (Law)	<p>Postgraduate Degree in Law with at least 55% marks or equivalent grade (50% in case of SC/ST/OBC (noncreamy layer)/Differently abled and other categories as per the decision of UGC from time to time)</p>	For Area wise availability of seats refer University's website	GBU-ET 2023	Research Methodology - [50] Subject Awareness - [50]

* Common Fee for all Programme (4.1-A) is not applicable

C. Hostel and Mess Charges per Academic year

S. NO.	PARTICULARS	AMOUNT IN RS.
i	Per Annum per candidate for Single Seated Room and MRSH	45,000/-
ii	Per Annum per candidate for Double Seated Room (only for First Year Girls on First Cum-First Serve Basis)	30,000/-
iii	Mess Charges per annum or as per actual, whichever is higher.	32,000/-

Note : In addition to other charges, the student admitted during academic session 2023-24 will have to pay Compulsory Annual Charges (as decided through open tender) for Health Insurance.

D. Application Form Fee

S. NO.	PARTICULARS	AMOUNT IN RS.
1	General/ OBC	1,200
	SC / ST (U.P.)	600

Note:

1. Academic Fee will be charged semester-wise.
2. Relaxation to SC/ST candidates in the fee is as per Uttar Pradesh government norms/rules.
3. Registration fee is a one time non-refundable fee, and not a part of academic fee. It will be compulsory for all Courses/Programmes. This fee is non-refundable.
4. In case, a newly admitted candidate applies for change or switchover to another programme, she/he may not have to deposit registration fee again. However, this flexibility of registration fee is permissible once only.
5. Security Fee (Caution Money) of Rupees Ten Thousand only will be charged for all Courses/Programmes. This is refundable after submission of no dues certificate from all Departments through the Dean of the school. Security Fee (Caution Money) is not applicable for Foreign/International Students.
6. Gautam Buddha University is a residential University, and therefore, all registered students shall reside in Hostel assigned to him/her. However, the students are exempted in some specific programmes (Refer point no. 11).
7. Students (preferably in their 1st and 2nd year) may be allotted double seated rooms in the hostel if single-seated rooms are not available. It would be an exclusive prerogative of the University to allocate a kind of room (Single/Double seated). The student shall be charged according to the type of room allotted.
8. Hostel exemption would not ordinarily be allowed. Only in exceptional circumstances, it can be allowed on case to case basis by the competent authority. However, exemption may be granted to married Postgraduate (PG) and Ph.D. students or those having any chronic ailment requiring regular therapy with ongoing hospitalization, continuously or intermittently. The recommendations of the University medical board/doctor regarding ailment will be final. Any such exemption will not be by default and the interested and eligible candidates must submit their completed application in the office of Dean Student Affairs (forwarded by the Dean of University School) within 15 days from the date of admission closing.
9. The exemptions are granted session wise and students will have to apply afresh for exemption in each subsequent session. Only in case of exemption granted to married students, the exemption will carry forward to the subsequent sessions till the end of the program.
10. During the dissertation/internship, the exemption may be given only for mess charges for students going for outstation dissertation /internship.
11. The following programmes are exempted from the clause of "Mandatory Hostel Accommodation".
 - All B. A. and B. A. (Hons.) Programmes
 - All B. Sc. and B. Sc. (Hons.) Programmes
 - All M. A. and M. Sc. Programmes

- BSW and MSW Programmes
- B. Ed. Programme
- All Diploma and Certificate Programmes

The above exemption is applicable only to the newly enrolled students in the Academic Session 2023-24. In case of students enrolled in the above courses seeking hostel accommodation will be required to apply for accommodation, which will be given for at least one year academic subject to the availability.

12. The students admitted to Gautam Buddha University during Academic Session 2023-24, and resident of district Gautam Budh Nagar (Uttar-Pradesh) may be given hostel exemption provided the student apply for such an exemption to the office of Dean Student Affairs. The applicant in this category will have to provide the valid proof that, he/she is a resident of district Gautam Budh Nagar (U.P.).

13. No Hostel and/or mess exemption application will be considered after due date, which will be within 15 days from the date of admission closing or as declared through administrative order.

14. Mere submission of exemption application does not warrant its acceptance. Any hostel and/or mess exemption is subject to the approval of the competent authority.

15. The University shall have the right to continue/review/scrap exemption policy as and when it deemed fit.

16. The student found using Hostel/Mess facility after getting exemption may have to pay fine in addition to the disciplinary action and Hostel/Mess Fee for an Academic Session.

17. Fee would be liable to change from time to time, as determined by the Fee Review Committee.

In case of Lateral Entry programme, the fee will be applicable as per 1st semester norms.

4.2 FEE STRUCTURE FOR FOREIGN NATIONALS

The fee structure shall be decided or may the University from time to time. Academic fee and Hostel fees are same for the foreign Nationals from SAARC and ASEAN Nations and India Nationals. In addition to the above academic fees as mentioned above in Point 4.1-Table B.

A separate Registration fee will be charged from International Students which is as under:

I. Foreign Nationals of SAARC and ASEAN Countries: One time registration fee of \$US 500 (or equivalent in Indian Currency as per the be revised by the competent authority of prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US \$ 1000 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/or Professional Programmes of all the Schools, as the case may be.

ii. International Students of other than SAARC and ASEAN Countries: One time registration fee of US\$ 700 (or equivalent in Indian Currency as per the prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US \$ 1500 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/or Professional Programmes of all the Schools, as the case may be.

iii. One time registration fee of US \$ 200 for Diploma/ Certificate programmes from Foreign Nationals of SAARC and ASEAN Countries and US \$ 400 for Diploma/ Certificate programmes from foreign nationals of other than SAARC and ASEAN Countries.

5.0 REFUND POLICY

Voluntary withdrawal from the Programme:

- Academic fee shall be refunded in case of withdrawal of admission from the programme of study in which he/she is enrolled as per UGC norms.
- Security deposit shall be refunded in full.
- Once the hostel is allotted then hostel fee for the semester shall not be refunded in case of withdrawal of admission.
- Mess fee shall be refunded to all the students on pro rata basis.
- The last date of seeking admissions, as communicated in the provisional admission admission.

6.0 SCHOLARSHIPS AND ASSISTANTSHIP

Scholarship and Assistantship from GBU & other agencies

1. GBU offers 50% scholarship in Tuition fees to all students belong to SC/ ST categories. Scholarship for remaining tuition fees as per U. P. Govt. rule.
2. M.Tech. GATE qualified students may be engaged on assistantship for the teaching load.
3. Merit Scholarship to toper students prog-ramme wise on Annual basis.
4. The University offers "Teaching Assistant-ship" to research scholars who do not have UGC/CSIR or any other fellowship to support their studies while perusing his/her Doctoral degree.
5. GBU offers 50% Exemption on Tuition fees to wards of GBU's employees, subject to two children.
6. GBU will arrange Medical/ Health Insurance cover for students.

7.0 RESERVATION/RELAXATION POLICY

- The reservation and relaxation policy as per Uttar Pradesh Government and Gautam Buddha University rules.
- The sports person providing evidence of participation in National / International level events may be provided 5% relaxation in respective qualifying examination.

8.0 GENERAL INSTRUCTIONS

- It is Mandatory for Students to register on ABC portal through: www.abc.govt.in

- ABC ID should be made a mandatory field in the admission form, examination forms or if possible on Student's I-card also.
- **GBU-ET 2023 may be conducted via CBT or Remote Proctored Online Test.** (Remote Proctored Online Exam will be conducted candidate's locations (i.e. at their home) whereas the Camera and Microphone of candidate's Device will be strictly monitored. In case of "Remote Proctored Online Exam", the candidate must ensure to have Laptop & Mobile with Camera with good Internet connectivity. The candidate is required to be right in front of the camera of the device during the entire exam duration so that the candidate face is always visible during exam).
- **The date of examination / schedule and mode of entrance test (GBU-ET 2023) will be notified 15 Days well in advance before the examination.**
- **The Number of seats in all the programmes may be increased or decreased.**
- Qualifying exam only from Government recognized National/ International bodies/ National level board(s)/ State level board(s) shall be considered for admission in various programmes of the University.
- Candidate may apply for more than one programme at a time, however application fee for each separate programme will be charged.
- The entrance test will be common for all B.Tech., Integrated B.Tech-M.Tech and Integrated B.Tech-M.Tech (Biotech.)/ MBA programmes in USOE, USOICT, USOVASAS & USOBT as per the eligibility criteria applicable to a particular branch / programme The branch allocation will be based on the choices filled by the candidate at the time of Counselling.
- Students may be considered for branch upgradation after completion of first year of 4-year degree programme subject to availability of vacant seats.
- The entrance test will be common for all M.Sc. programmes of USOBT. The programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.
- The entrance test will be common for all MCA, and M.Sc. (CS) programmes of USoICT. The programme will be allotted according to the candidate's choices filled at the time of online counselling. Separate merit list will be prepared for each programme.
- In case of M.Tech. (CSE, ECE, EE, ME & CE) programmes, specialization will be given at the time of counselling.

- Admission through valid Test Score of other National Level Tests will be applicable only in case of seats lying vacant after GBU Entrance Test and counselling sessions. Thereafter, vacant seats may be filled by any National level Test Score or through direct mode (on merit basis). It is the sole responsibility of the candidates to ensure that the test score(s) viz. Valid CAT/MAT/CMAT/GMAT/ XAT/CLAT (PG)/GATE/ NTA/ JEE Mains/ UPJEE through which he/she is applying for admission to a particular programme is valid. The submission of application form does not guarantee the fulfilment of eligibility for that programme.

A self attested copy of valid score(s), as applicable, will be required at the time of interview/counselling for admission. The admission in the programme shall be provisional until the candidate furnishes all the required documents, fee and testimonials, etc. including final result of the qualifying examination. The University reserves the right to cancel the admission of student(s) at any point of time if there is any discrepancy found in the eligibility of his/her candidature as per eligibility criteria laid down in the Admission Brochure 2023-24.

The candidate appearing in qualifying examination may also apply. However, the candidate should have completed all the requirements (theory/practical and viva- voce etc.) of the award of qualifying examination and submit the final result of the qualifying examination **latest by 30th November 2023**, and meet the eligibility criteria as laid down in the Admission Brochure 2023-24. Non- fulfilment of this condition will automatically result in the cancellation of the provisional admission. Result awaiting candidates should not have any back papers in previous years. Such candidates may take admission solely on their own risk.

- The minimum number of students to run any programme is atleast 15 (Fifteen) or 50% of number of seats advertised, whichever is lower. However, the Competent Authority of the University will take the final decision in this regard. The Counselling/Interview schedule will be available on GBU website in due course of time.
