Refer to the Price List for components included in the "On-Road Price" of the vehicle. The components are ex-showroom price, registration, insurance, etc. On-Road price is inclusive of all applicable taxes.

On road price is after adjusting all discounts, if applicable. The discounts will be adjusted in the various components of the On-Road price to arrive at the total discount. Thus, the value of these components will vary from the value of component as shown in Price List and original component document.
