Respected Sir,

Greetings from Lal Bahadur Shastri National Academy of Administration, Mussoorie!

The IAS Phase-I Professional Course for the 2023 batch is scheduled from 06th November 2023 to 05th April 2024. 181 IAS and 03 RBCS trainees are participating in this year's iteration. The Officer Trainees at Phase-I course are given inputs in various domain areas on leadership, skills for civil servants, personal proficiencies, sectoral inputs etc. with the aim of making the administration more responsive to the needs of the people. This is intended to ground them firmly in the best values and abilities represented by the Service. Towards this effort we are conducting a **Moot Court Competition** to provide them with a real sense of the court discipline. This will expose the trainees to the functioning of Courts and nitty grit-ties of gaining legal knowledge.

I request you to accept our invitation to be the moot court judge of the **2nd Lal Bahadur Shastri National Academy of Administration Moot Court Competition**, to be held on **23th February 2023**. Your expertise and deep understanding of the subject will motivate the young trainees and help them gain greater knowledge in this field. We will be happy to make travel, boarding and lodging arrangements for you.

A soft copy of the moot court proposition has been attached therewith.

A line of confirmation would be highly appreciated.

yours sincerely
Anju Choudhary

(Dr. Anju Choudhary)

Shri Manjeet Sheoran,
District and Session Judge,
Presiding Officer in Motor and Accident Claims Tribunal
Ghaziabad
