Subject: Requisition for adding "Dr." as prefix before my name in service record.

Hon'ble Sir,

Regarding the captioned subject, I have been awarded Ph.D. degree in Law by Singhania University, Jhunjhunu, Rajasthan in 2014 i.e. before entering in judicial service. As Singhania University Convocation was not happen while submitting the application form for HJS Examination 2014, therefore, it was not possible to fill the Degree number and awarded date of Ph.D degree. Due to busy schedule, I could not get my degree from University. Now I have Ph.D degree.

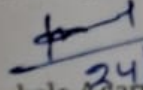

Hence your kind Honour and Authority is requested to kindly permit me to use "Dr." as prefix before my name and kindly permit the same in official communications. I also request you to kindly direct that Ph.D. should be added in the column of my Educational Qualifications as posted on the official website of the Hon'ble Court. I shall be highly obliged.

Thanking you in anticipation
